

ref. **54379**

COB RECHARGEABLE WORKLIGHT WITH SOLAR

Function

It is a lighting tool designed for work environments where a portable and rechargeable light source is needed.

Advantages:

- ✓ Solar Rechargeable
- ✓ COB: provides brighter and hotspot-free light
- ✓ Portability
- ✓ Resistance and Durability
- ✓ With power bank function

Technical Specifications

LED	COB 10W + LED 3W
Solar Panel Power	5.2V / 0.5W
Lumen	3W LED 80LM, 10W COB 800LM
Function	LED COB: Low/Medium/High/Red/Red Strobe
Material	Plastic
Battery	4000mAh polymer Battery
Charging Time	3.5h
Working Time	4-12h
Size	140*73*20mm
Net Weight	190g

The hook, with 2 strong magnets at the bottom.
