

ref. 54508**MIST FAN****Description**

Device designed to disperse air and spray water, creating a cool and refreshing mist. Mounted on wheels, with remote control, and various operating modes.

Advantages

- ✓ Rapid water misting
- ✓ Versatility
- ✓ Control

Technical Specifications

Rated voltage (V/Hz)	20-240V~50
Power consumption (W)	75
Speed	3
Water capacity (L)	2.8
Weight (KG)	8
Size (cm)	43x38x125
Water consumption (ml/h)	<220
