

54595**SUSPENSION STRUT SPREADER TOOL****TECHNICAL SPECIFICATIONS**

Opening	5-30mm
Weight	0,65Kg
Dimensions (LxWxH)	85x32x40mm

DETAILS

It is ideal for splaying the acle joint clamp boreholes or ball joint attachments.

Advantages:

- ✓ Makes the assembly and disassembly easier.
- ✓ Utility from both sides.
- ✓ Damage to the axle joint housing (cast or aliminium) is avoided.
- ✓ Optimal adjustment, therefore slips are almost impossible.
- ✓ Special stool steel.
