What would you like to focus on?

Interviews

public speaking

everyday conversations

presentations

Questions

How is your dog doing?

What brings you here?

I saw your sister, how is she doing?

Did you get anything?

Kyle

try talking slower

frequent fillers “uhm”

rec pause

- filler words
- speed
- clarity
- loudness

Vocabulary

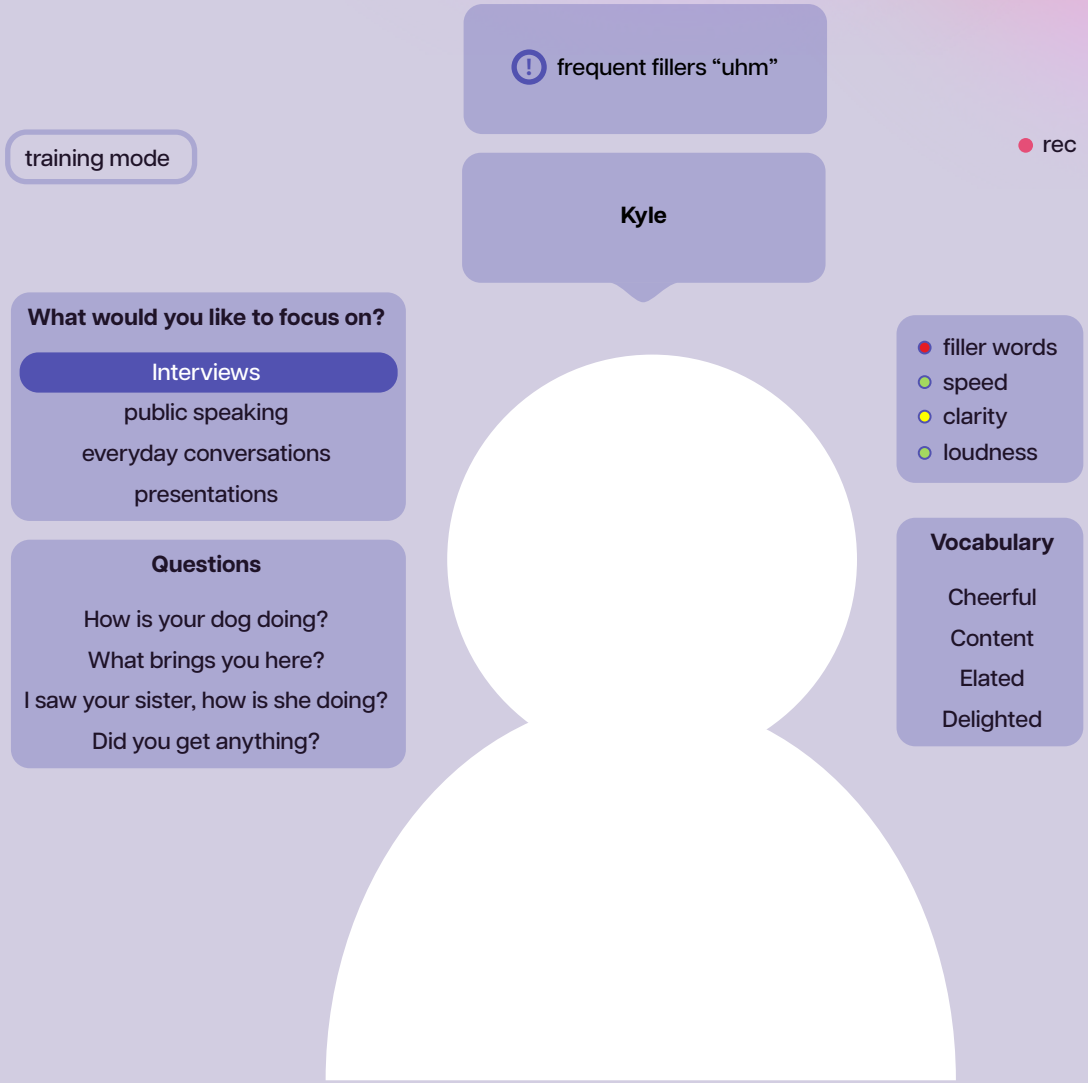
Cheerful

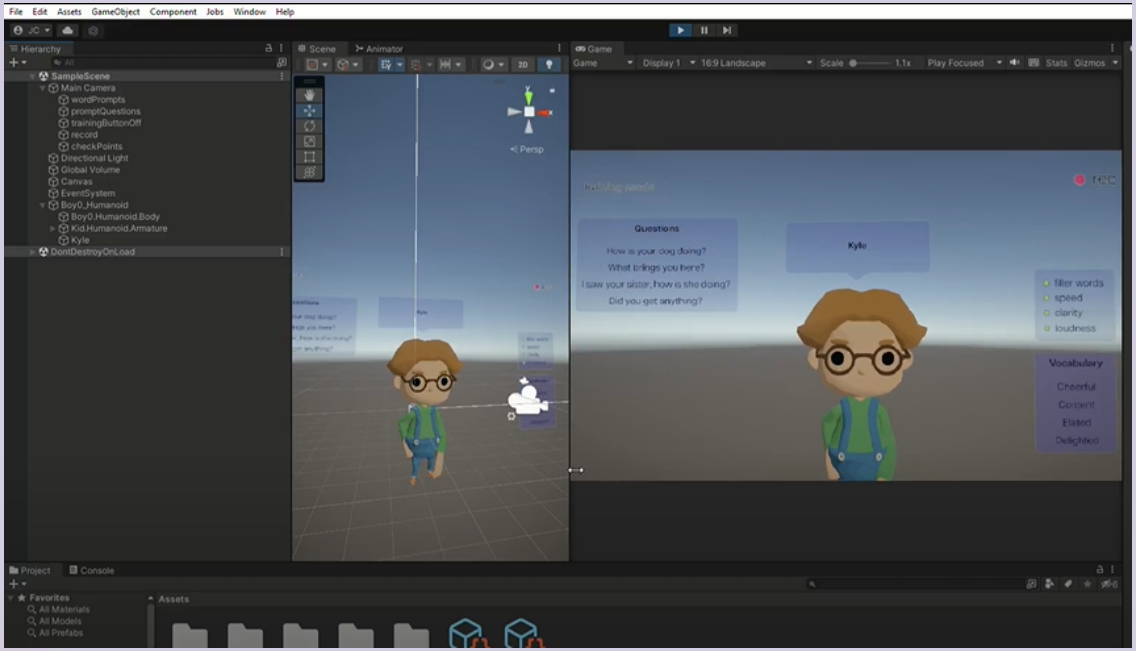
Content

Elated

Delighted

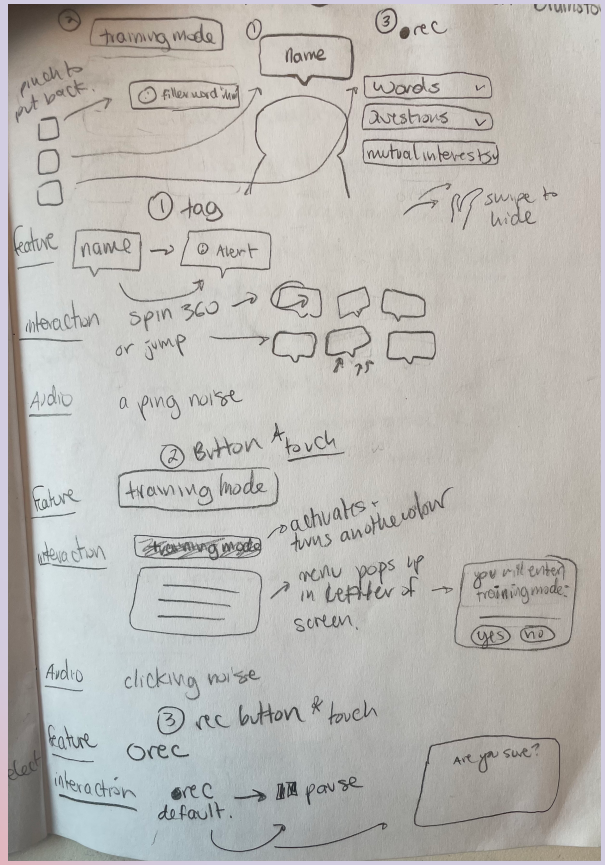
First Iteration:

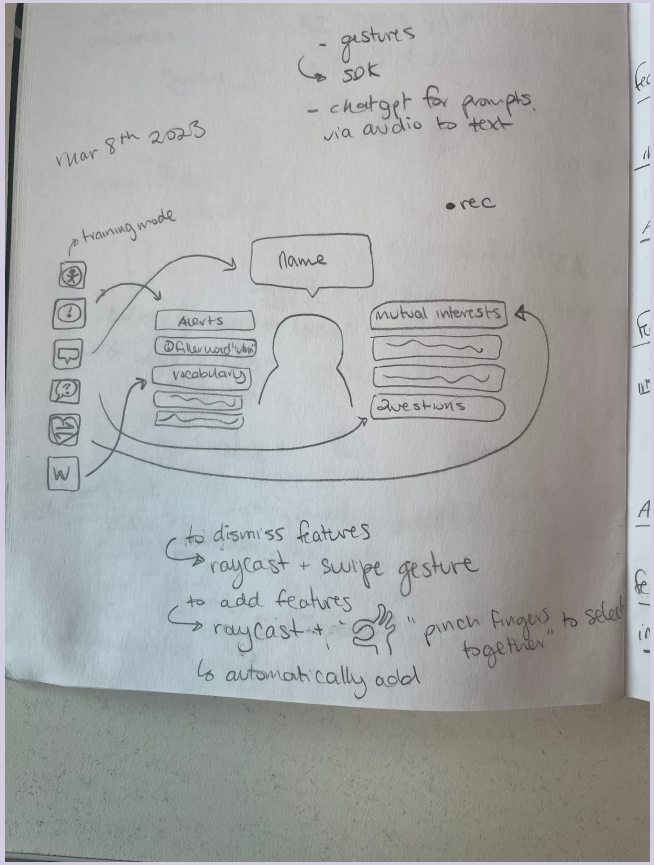




→ Placed the assets into unity to figure out the correct placement in spatial context with a dummy model that I rigged like it is talking.

Second Iteration





→ I jotted down and sketched out the features to quickly get them on paper without focusing on perfecting the UI at this early stage.
