

JetBlue Presents:  
**THE WAY TO FIND YOUR WAY**  
**Activity Sheet**

**Activity 1:** Label the cardinal directions on the compass rose on the map below.

**Activity 2:** Use the map and the compass you just labeled above to answer the following questions.

1. Which ocean is to the east of the USA?
2. Canada is in what direction of Mexico?
3. Mexico is in what direction of the USA?
4. Which country is north of the USA?
5. The Gulf of Mexico is in what direction of Mexico?
6. The Pacific Ocean is in what direction of the USA?

**Bonus Question:** What's your dream destination? Can you find the location you live in on the map above and figure out which direction you would have to travel to get there?

**Well done. To check the answers, you can visit the [JetBlue Jr. blog](#) .**
