Jackson Health
FOUNDATION.
Making miracles happen.

Each year, the community comes together to raise funds for Jackson Health System at our annual Golden Angels Gala, one of South Florida's most highly anticipated fundraising events. Our Golden Angels Gala honors the generosity of the many philanthropists who have contributed to making miracles happen at Jackson Health System. This year, the Golden Angels Gala will commemorate the 30th Anniversary of Ryder Trauma Center at Jackson Memorial.

The Gala attracts more than 800+ guests, and this year, we are happy to announce that we are bringing back the Golden Angels Gala After Party. This event is curated for those who want to make a difference.

The Golden Angels Gala After Party begins at 10 p.m., as the Gala begins to wind down. Light bites, signature cocktails, immersive experiences and more, await our after party guests as they arrive. After party guests will join Gala guests for an evening of dancing and celebrating.

Golden Angels Gala After Party

Golden Angel Society

Jackson Health
FOUNDATION.
Making miracles happen.

Since its inception in 1991, Jackson Health Foundation has raised more than \$200 million to help Jackson Health System deliver the best possible care. Gifts made to Jackson Health Foundation ensure, in part, that Jackson is able to renovate or build state-of-the-art facilities, and continue to provide accessible healthcare services that are critically important to the quality of life and health of our shared communities. Through the generosity of compassionate donors, the Foundation helps to fill the gaps of major capital projects and programmatic needs that cannot be financed by public bond support.
