Making miracles happen.

Guardian Angels®

Established in 1997 as a membership group within Jackson Health Foundation, our Guardian Angels are a compassionate and committed group of philanthropists who dedicate their time, talent, and resources to raising funds that advance accessible health care services at Holtz Children's Hospital for all children and residents of Miami-Dade County, regardless of their ability to pay.

Hosting the annual Guardians of the Children Luncheon and Fashion Show is part of their unwavering commitment to helping young patients in need at Holtz Children's.

More About Our Guardian Angels

- ❖ Celebrating more than 30 years as a membership group within Jackson Health Foundation, the Guardian Angels raise philanthropic support to enhance and expand pediatric specialty programs at Holtz Children's Hospital and throughout Jackson Health System.
- ❖ Composed of more than 250 members, the group serves as a philanthropic partner, actively participating in projects, committees, and events throughout Miami-Dade County.
- ❖ By becoming a Guardian Angel, you can help us fund significant projects at Holtz Children's and throughout Jackson Health System that public support cannot provide. With your help, we can continue offering accessible healthcare services to all residents in Miami-Dade County, regardless of their ability to pay.

Becoming a Guardian Angel

Guardian Angels provide a cumulative gift totaling \$5,000 over a 5-year period

Benefits:

- ♣ Name listed on Guardian Angels Donor Recognition Wall at Holtz Children's Hospital
- ♣ Invitation to special events such as the Annual Luncheon and Fashion Show, Pre-Event Trunk Show, and exclusive designer events
- ♣ Opportunity to participate in a private tour of Holtz Children's Hospital and/or volunteer
- ♣ Opportunity to attend the Miami HEAT Family Festival on a yearly basis

Fundraising Impact and Support

Our Guardian Angels have raised millions of dollars to fund the most significant needs for pediatric patients, including:

- ❖ The purchase of ventilators for the Pediatric Intensive Care Unit (PICU) and Neonatal Intensive Care Unit (NICU) at Holtz Children's Hospital
- ❖ Renovation of the Pediatric Hematology/Oncology Unit and a \$1 million renovation of the Pediatric Referral Unit/Pediatric Transplant Surgical Unit at Holtz Children's Hospital
- ❖ Remodeling of the "Little Miracles Maternity Suites," featuring a spa-like atmosphere, high-tech equipment, and 20 private maternity suites at the Women's Hospital at Jackson Memorial
- ❖ Renovation of the Cancer and Organ Transplant floor and the Adolescent Unit at Ryder Trauma Center

About Holtz Children's Hospital

Miracles Made Daily

- ♣ A child's milestones are miracles for every parent, from the first smile to the first step. However, when a child's life is in serious jeopardy, the strength and experience of the medical team caring for them are what make the difference
- ♣ Holtz Children's Hospital is a national leader in pediatric specializations, including nephrology, endocrinology, gastroenterology, cardiology, and neonatology
- ♣ Holtz Children's is the eighth in the nation and first in Florida to become an Accredited Pediatric Heart Failure Institute by The Healthcare Colloquium
