Golden Angel Society®

The **Golden Angel Society** is Jackson Health Foundation's premier giving society. Golden Angels have a strong sense of commitment to Jackson and have raised millions of dollars through the years to benefit the health system.

Making miracles happen.

Since its inception in 1991, **Jackson Health Foundation** has raised more than \$250 million to help Jackson deliver the best possible care to the community.

Miracles made daily.

Grounded by the award-winning care provided at Jackson Memorial Hospital and powered by our academic partner, the University of Miami Miller School of Medicine, **Jackson has been a leading specialty care provider** for patients from South Florida, across the nation, and abroad for more than 106 years.
