- Listing in the event program.
- 1 table of 8.

Nacho Cheese

\$500

- Listing in the event program.
- 4 tickets to the event.

Let's Fiesta

2021 JOHN KNOX VILLAGE GALA **Segundo Intento**
(Second Try)

6 p.m. Saturday,
Sept. 18, 2021

The Pavilion at John Knox Village
520 N.W. Murray Road, Lee's Summit, Missouri

John Knox Village

¡Arriba, arriba! ¡Ándale, ándale! (Let's go, let's go! Come on, come on!)

Let's Fiesta and do something meaningful at the same time!

We want to raise mucho dinero to support the construction of new headquarters that will accommodate John Knox Village's growing Emergency Medical Services (EMS) department.

The EMS team provides care and support to the residents of John Knox Village, as well as residents of surrounding areas. Through mutual aid agreements, the team assists emergency services departments in Lee's Summit, Raytown, Harrisonville and other Missouri localities. Because of COVID-19, there has been a strong uptick in the number of calls the team responds to – and during their downtime, they need proper space to relax and rest.

However, the current EMS command center does not provide the space and comforts needed to help the 7-person team make the most of their downtime. (During shift changes, 14 people are crowded into the area!) The cramped living area, including sleeping quarters, two unisex restrooms, a day room and an office, is only 790-square feet – roughly the size of a small apartment and there is no room for renovation or expansion. EMS personnel work 24-hour shifts and can be called on to answer a call at any moment. They sleep intermittently as call volume allows. After completing a call, they return to cramped quarters where there is extremely limited space to get the down time they need to prevent burn out. Finally, the ambulance bay only holds two of the Village's four ambulances, and the space also lacks proper storage.

Gala proceeds will be contributed to the "Raise a Roof for EMS" capital campaign that is raising funds to create a new headquarters for EMS. The dedicated building will be about 5,500 square feet and will include two pull-thru truck bays that will house and protect all four ambulances; four sleeping quarters for staff; two restrooms with showering facilities; a training room; office space, and a lounge/day room with a kitchen.

Tickets are \$100 per person

Sponsorship Opportunities: Levels range from \$500 to \$20,000. See the reverse side for details.
