Samuel Berthe

88 Participant(s)

⚡ Join us for Cursor Meetup Nantes LIVE hosted by Julien Landuré, Cursor Ambassador! Whether you're a seasoned pro or just curious about what Cursor can do, this is your chance to swap stories, share tips, and see what's new—all in a relaxed atmosphere.

👉 We're thrilled to announce that Nick Miller from Anysphere, the company behind Cursor, will be joining us to share his insights!

📅 Agenda :

- New Cursor features by Nick
- Q&A with the community x Nick

👉 Grab your favorite drink, fire up your webcam, and jump into the conversation.

🔥 Don't miss out—Cursor Meetup LIVE is where AI meets the developer community!

Welcome Nick! 🔥

Schedule

- Intro & New features by Nick 🚀
- Q&A sessions with Nick 💬
- Please use the Q&A section in Meet (and upvote) 🎯
- Ask in french or english. Don't be shy 😊
