With low emission targets being set across cities in the UK, now is the time to consider investing in electric, zero emission vehicles.

The new MEV City Cargo and Pick-up bring all the benefits of green work and play at sustainable budgets. Designed to give the user rear space and easy access to small parking spaces to enhance your daily duties in restricted zones.

MEV CITY CARGO & PICK-UP TECHNICAL DATA

Body Structure: Integral frame structure	Standard Features: Wiper & washer Panoramic sunroof Openable electric rear window Electric windows Central locking Park assist Safety cage design Driver/auxillary driver safety belt USB charger 12v outlet power source system LCD meters Braking fluid warning indicator Reverse beeper Type 2 charge cable via domestic or charge stations Radio Audio system LCD screen 2 stereo speakers Adjustable antenna Antislip floor Defog device Park assist on screen Bluetooth Park brake Combined LED tail lights Reversing light License light Window de-mister	Optional Extras: Air conditioning Power steering
Differential: Shifting - automatic, Transmission - single reduction, Differential case - yes		
Body Structure: Integral frame structure		
Brakes: Disk-type hydraulic brakes		
Front Suspension: McPherson independent suspension		
Rear Suspension: Trailing arm independent		
Tyres: 145/70R12		
Battery Type: Lithium LFP & BMS		
Maximum Speed: 80km/h / 50mph		
Maximum Range: Up to 90 miles		
Climbing ability: 20%		
Driving type: AC brushless motor		
Battery Spec: 10kWh		
Charger type: Onboard via EC type 2 cable		
Charging voltage: 90 - 220v (50-60Hz)		
Dimensions: L 3150 x W 1297 x H 1685 mm		
Internal dimensions: L 1380 x W 1200 x H 1000 mm		
Payload: 300kg		
Warranty: 2 years	<i>This specification is correct at time of publication, but may alter without prior notice.</i>
