

A multidisciplined, British engineering company specialising in the supply, service & maintenance of small electric vehicles

The Nipper® is a 4x4 electric UTV and is designed for versatility making it just as easy to 'nip' out locally by road, as it is to cross a muddy field. Perfect for accessing narrow gaps and gateways.

Key features

- All-powerful 5kW motor
- All-electric achieving zero emissions
- All-terrain - mud, inclines, low water
- Lithium-ion battery
- Above average top speed 28mph
- Range: Up to 75 miles
- Available in a choice of blue or green
- Road legal when registered
- 2-year warranty as standard
- Electric rear tipper
- Low maintenance
- Congestion zone compliant
- No road tax

The Nipper travels on-site efficiently and quietly while performing everyday tasks transporting supplies and materials with ease.

It also features an electric rear tipper, making unloading effortless.

Slim, nimble and capable of tackling all terrains.

THE NIPPER TECHNICAL DATA

Charge time: 6-8 hours	Payload Capacity: 200kg
Driving Modes: 2 wheel and 4 wheel driving modes	Towing Capacity: 750kg
Gearing: Low and high ratio	Warranty: 2 years
Suspension: Gas assisted adjustable shocks	Standard Features: <ul style="list-style-type: none">- Comfort seats- Glass windscreen & wiper- High & low range diff lock- Electric rear tipper- Smart on board charger- Front winch- Rear tow hitch- Power steering
Tyres: On or off road available	
Battery Type: Lithium-ion	
Maximum Speed: 28mph	
Maximum Range: Up to 75 miles	
Turning Radius: 6.8m	
Operating Voltage: Max current draw 6amps	
Dimensions: 2850 x 1470 x 1800mm	Optional extra: <ul style="list-style-type: none">● All weather cab
Wheelbase: 1900mm	
Net weight: 850kg
