

A multidisciplined, British engineering company specialising in the supply, service & maintenance of small electric vehicles

## NOSMOKE ORIGINAL

*Inspired by the automotive design of the 1960s, the NOSMOKE Original line will seduce you with its vintage, playful and simplistic design which crosses time and generations. The ideal vehicle for all leisure activities, the NOSMOKE Original is a practical, simplistic, efficient and durable vehicle. With 4 seats, a top speed of 44mph and a range of up to 74 miles, the NOSMOKE Original is sure to turn heads!*

### Key features

- No emission, just emotion!
- Congestion zone compliant
- Top speed 44mph
- Range (lithium battery) up to 74 miles
- Range (lead acid battery) up to 50 miles
- 4 seats
- 2 years warranty
- Several colour options
- Low maintenance
- Class: L7e

NOSMOKE Original features a very practical load volume, due to its folding rear seat and rear boot compartment.
