

A Gatwick Airport approved, on-site, multidisciplinary, engineering firm who install & maintain specialist systems

WE CAN HELP YOU PREPARE FOR REOPENING!

JLC are Gatwick Airport approved on-site contractors who have the skills and products you need to get your premises up and running safely for when your customers return.

How we can help

- Personal protection screens
- Screening for queuing areas
- Screening for till areas
- Queue control barriers
- In-store aisle control barriers
- Traffic light controlled entry system
- Automatic doors
- Automatic access gates
- Electrical maintenance
- General building projects
- Fire curtains / shutters
- General ongoing facilities maintenance

We can supply a number of solutions, products, and services to help ensure your business is operating at full efficiency following an extended period of closure.

Our range of covid-19 solutions, paired with our extensive offer of automation and access control products, makes us stand out from the rest as we are your one stop solutions provider.

We are also able to undertake full-service packages for all of your on-site requirements.

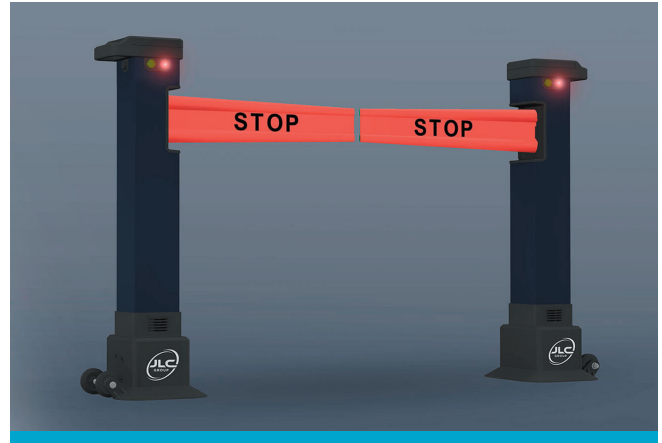

Think of us as your on-site team ready to help in whichever way we can!

HOW JLC CAN HELP YOU GET READY

PROTECTIVE SCREENING

The clear screens made from PET-G Polyethylene which has high stiffness, hardness & good impact resistance, can be manufactured to your exact specification. They allow for good visual contact & interaction between individuals.

AIRBAR-Q BARRIERS

Airbar-Q has been specifically created to enable efficient & controlled queuing systems allowing higher efficiency, enabling cost saving & revenue generating solutions, forming a key component of your customer's journey through retail environments.

ACCESS GATES & DOORS

Access control systems designed where safety & user comfort come first. They consist of slim, elegant modules supporting swinging glass panels that open according to the direction of transit & can be managed by any access control system.

BUILDING & MAINTENANCE

JLC Group have been highly trained to carry out any form of electrical, maintenance or general building project for you, no matter the level of difficulty & will ensure that you receive the best, Covid secure service.
