

Addendum to the paper: Boundary layer dynamics of a decaying vortex core

By W. H. RAYMOND and G. V. RAO, *Dept. of Earth and Atmospheric Sciences, Saint Louis University, P.O. Box 8099—Laclede Station, Saint Louis, Missouri 63156, U.S.A.*

The following acknowledgements were inadvertently omitted in the article by Raymond and Rao (*Tellus* 30, 458–467) entitled “Boundary layer dynamics of a decaying vortex core”.

Acknowledgements. This research was sponsored jointly by Grant No. 04-6-022-44003 of the National Severe Storms Laboratory (NOAA) and ATM 74-09448-A02 of NSF (Principal Investigator of NSF Grant: Dr Y. J. Lin).
