V. Books Received for Review (These books are available for review in the Bulletin. If you would like to review any of the books listed below please contact the editor and the book will be promptly sent):

The Art and Mystery of Historical Archaeology

Rouse, Irving

VI. Book/Journal Article Reviews

Cushing at Zuni: The Correspondence and Journals of Frank Hamilton Cushing, 1879-1884, edited by Jesse Green, University of New Mexico Press, Albuquerque. 1990. $45.00 (Cloth)

By Jonathan E. Reyman
Springfield, Illinois

Turn-of-the-century anthropologists were a colorful and controversial lot, some of whose exploits and antics have achieved near mythic status in the history of the discipline. Although they published enormous amounts of material, much of what is now regarded as classic work and essential reading, they also behaved in ways that make today’s scholars shudder with anger or disgust and shake their heads in bewilderment. And if the best of these early field workers were geniuses, they were often flawed geniuses who behavior, at times, made it difficult, and sometimes nearly impossible, for later researchers to follow them in the field.
