Table S1 - Questions explored in the Pre-Meeting in Preparation for the Webinar

Pre-meeting Questions ('PQ')
PQ1 What did you learn from taking part in YouCount?
PQ2 What parts of YouCount did you find interesting?
PQ3 What parts of YouCount did you find difficult?
PQ4 How did you feel when working with your researchers?
PQ5 What should we talk about at the webinar?
PQ6 How can we measure if the webinar is good?
PQ7 What should future researchers think about when working with people like you?
PQ8 What could YouCount do better next time?
PQ9 What other problems would you like to research?
