*Coming soon

YOUR MUSIC

Save and organise your playlists and albums in one place across devices

PLAY QUEUE

Be your own DJ: (re)arrange songs, see what's going to play next, add tracks to the play queue, remove tracks from the play queue and change the order of the play queue

LISTENING HISTORY

To view the last 50 tracks you listened to on Spotify, click the history tab in the Play Queue

COLLABORATIVE PLAYLISTS

You and your family and friends can create your own playlists together

SHARE

Listen and share your music to your followers on Facebook and Twitter as you listen

PLAYLISTS FOR EVERY MOOD

Showering? Cooking? Road trip? Working-out? Getting ready for bed? There's a playlist for that. Create a new playlist, remove a track, remove a track, delete a playlist, follow a playlist and find a playlist
