Town of Primrose

Draft Utilities & Community Facilities Goals & Objectives

● *Goals:*

- Provide effective and efficient governmental facilities and services for town residents.

● *Objectives:*

- Provide convenient solid waste and recycling facilities.
- Provide recreational facilities that are in demand by town residents.
- Cooperate with other municipalities and governmental agencies to maximize cost-efficient delivery of services.
- Recognize objectives of the Dane County Comprehensive Plan for other utilities and community facilities.

Town of Primrose

Draft Utilities & Community Facilities Policies

● *Policies and Programs:*

- Redirect land uses requiring substantial public services to a designated urban service area.
- Limit development of residential and commercial / industrial uses at densities that are cost-effective to serve.
- Recognize policies and programs of the *Dane County Comprehensive Plan* for other utilities and community facilities.
- Support and expand relationships with regional cooperative organizations, such as South West Dane Outreach, to deliver needed services to town residents.
