1. Driveway Permits can only be approved by the Town Board at a regularly convened town board meeting.

2. No person shall install concrete overlays from the road right-of-way at the property line to the road.
3. The Town does hereby adopt any and all regulations, rules, or laws of Waupaca County as they pertain to private driveways with the exception that any and all private, non-agricultural driveways within the Town of Caledonia must have a minimum width of 20 feet including a minimum of 4 feet of clearance on each side in order to allow adequate unobstructed clearance for emergency vehicles.
4. All culverts shall be constructed of galvanized steel pipe and shall include apron end walls. Subsequent replacement and/or repair shall be done by order of the town board at the expense of the property owner.

11. If the town later changes the specification of the culvert initially approved in the original permit, and there is no change in the use or operation of the driveway, the town shall be responsible to pay for the cost of a new culvert installation.
12. The town board shall pay the total cost when a road project or drainage adjustment causes the need for a culvert replacement.
13. If a road project does not require that a functioning culvert be replaced, however, the culvert is deteriorating and shall need replacement in the near future, the town may offer a cost sharing replacement of the existing culvert to residents whereby residents agree to pay for the culvert and end walls and the town will pay for installation.
14. If the town board determines that the property owner is not in compliance with item (#9,#10) above, action shall be taken by the town board to correct (clean out or replace damaged or obstructed culvert) and bill back, by invoice, the cost associated with that action to the property owners. SECTION 1.1 -REPEAL OF PRIOR ORDINANCE

SECTION 1.2-STATUTORY AUTHORIZATION

This ordinance is adopted pursuant to authorization in ss. 30.126 and 30.77 Wisconsin Statutes.

SECTION 1.3-FINDINGS OF FACT

Historically, fishing rafts have been on the Wolf River and its tributaries from the Shawano dam downstream to Lake Poygan. Typically, most rafts are used during spring fish spawning runs. The number and conditions of rafts has caused conflicts with the other river users and has resulted in other problems on the Wolf River. The need to regulate fishing rafts is hereby recognized by the Town of Caledonia, Waupaca County, Wisconsin.

SECTION 1.4-PURPOSE

The purpose of this ordinance is to:

1. Establish certain restrictions on the placement, use and storage of fishing rafts.
2. Provide for annual registration and inspection of fishing rafts.
3. Establish certain construction and maintenance standards for fishing rafts.

SECTION 2.0-DEFINITIONS

SECTION 2.1 -FISHING RAFT

A "Fishing raft" means any raft, float, or structure, including a raft or float with a superstructure and including a structure located or extending below the ordinary high water mark of the waterway, which is designed to be used or is normally used for fishing, which is not normally used as a means of transportation on water and which is normally retained in place by means of a permanent or semi-permanent attachment to the shore or to the bed of the waterway. Fishing rafts do not include outhouses, fixed houseboat, wharfs and piers.

SECTION 2.2-FLOTATION DEVICE

"Flotation Device" means any device used to provide flotation for a fishing raft, including each individual barrel or Styrofoam coffin.

SECTION 2.3-RIPARIAN

"Riparian" means the owner of the shore lands adjacent to the Wolf River or its tributaries.

SECTION 2.4-MUNICIPALITY

"Municipality" means any city, village, or town, which adjoins or includes any part of the Wolf River or its stream tributaries from the Shawano dam downstream to Lake Poygan.

SECTION 2.5-ORDINARY HIGH WATER MARK

"Ordinary High Water Mark" means the point on the bank or shore up to which the presence and action of surface water is so continuous as to leave distinctive mark, such as by erosion, destruction or

prevention of terrestrial vegetation, predominance of aquatic vegetation or other easily recognized characteristics.

SECTION 3.0 – RESTRICTIONS ON FISHING RAFTS ON THE WOLF RIVER AND ITS TRIBUTARIES

SECTION 3.1 -FISHING RAFTS MAY NOT:
