DRIVEWAY PERMIT

APPLICATION FOR A PERMIT TO MAKE AN EXCAVATION OF FILL OR TO INSTALL A CULVERT ON A TOWN ROAD

Applicant Name: _____

Applicant Address: _____

Applicant Phone & Email: _____

Property Address: _____

Parcel Number: _____

Homeowner Information (if different than applicant):

Name: _____

Address: _____

Phone & Email: _____

Inasmuch as Chapter 86.06 of the Statutes states that "no person shall make any excavation of fill or install any culvert without a permit", the undersigned requests a permit for the purpose of:

- New private driveway
- Relocation of existing driveway
- Alteration of existing driveway
- Removal of existing driveway

Purpose of Driveway: Residential Commercial Agricultural Other

Details of Request (Driveway width, culvert size, endwalls, etc):

Notes: All culverts must be constructed of galvanized steel and include tapered apron end walls. Asphalt driveway approaches over culverts are permitted, but concrete driveway approaches located in the road right of way are **not** permitted. The minimum diameter for all culverts is 15".

Private driveway minimum length 28' and maximum is 50'. Agricultural driveway minimum length is 40' and maximum is 50'.

Before the Caledonia Town Board takes any action on this application a field inspection will be made of this site with the applicant and Town Board member. Please stake out the location requested.

Please return application to:
Vance Knuth (920) 667-5363
N994 Neumann Lane
Fremont WI 54940
