- (1) Private Use and Sale. No person shall sell, expose or offer for sale, use, keep, discharge, or explode any fireworks except toy pistol paper caps, sparklers, and toy snakes within the limits of the Village unless he shall be authorized by a fireworks permit as hereinafter provided. The term “fireworks” as used in this section shall be defined as provided in Section 167.10(1), Wis. Stats., and shall be deemed to include all rockers or similar missiles containing explosive fuel.

- (2) Fireworks Permits. Fireworks, other than those prohibited by the laws of the State of Wisconsin, may be used and displayed in open fields, parks, rivers, lakes and ponds by public authorities, fair associations, amusement parks, park boards, civic organizations and other groups of individuals when a permit for such display has been granted by the Village Board. All applications shall be filed with the clerk at least 30 days prior to the time of the proposed use and shall be referred to the Fire Chief for investigation and no permit shall be granted unless the Village Board, from the report of the Chief, determines that the applicant will use the fireworks in a public exhibition, that all reasonable precautions will be exercised with regard to the protection of the lives and property of all persons and that the display will be handled by a competent operator and conducted in a suitable, safe place and manner. Before granting any fireworks permit, the Village Board shall require the applicant to post with the Village Clerk an approved indemnity bond in the sum of \$2,000 for the payment of all claims that may arise by reason of injuries to persons or property from the handling, use or discharge of fireworks under such permit.
