exists which at the discretion of the fire department personnel in charge request fire service, the receiving part will be charged and billed. All parties will be billed whether or not the fire service is covered by insurance. - (C) If the fire service charge remains unpaid for 30 days after this notice of delinquency is sent, the City will use all practical and reasonable legal means to collect the fire service charge. The party receiving fire service shall be liable for all collection costs incurred by the City including, but not limited to, reasonable attorney fees and court costs.

The county auditor is responsible for remitting to the city all charges collected on behalf of the city. The city must give the property owner notice of its intent to certify the unpaid fire service charge by September 15.
