

CITY OF CLARKS GROVE

2025 SPRING NEWSLETTER

It seems that Spring is trying to show us some nice weather, but winter doesn't seem that it wants to disappear just yet. The snow that we have received didn't stay around too long, but it gave us some ground moisture that we needed since we didn't have much snow over the winter months.

A reminder to those who have pets that dog and cat licenses are required and they were due in January 2025. The tags can be purchased at the Clarks Grove Vet Clinic and the cost is ten dollars.

Chipping Date: Chipping will start on Monday, May 19th. Remember to put the butt ends facing the curb. **If they are placed in a huge pile, they will not be picked up. No roots will be chipped.**

Compost: The compost site is for city residents only. **It is not for non-residents or commercial businesses. Remember no sticks, plastic, or garbage put in the compost bins.**

City Wide Rummage Sales: The city-wide rummage sales are always a big draw to Clarks Grove. People always talk about how they enjoy coming to our city for these sales. **The date set for the sale is Saturday, May 17th.** Need to have at least 10-12+ sales before it is a go. Deadline for signing up is May 7 and contact Kathy Jensen at 256-4329 if you are having a sale. If she is not home, please leave a message.

City Hall and Bob's Park Pavilion are available to rent. City Hall is available to city residents to rent at a cost of \$100 per day and non-residents are \$150. A \$200 deposit is required and if the hall is left clean, the \$200 will be returned. Bob's Park Pavilion is available to rent at \$25 per day. Please contact Kathy Jensen at 507-256-8011 to see if the day you want is available. **Johnson Park** is also available to use for get togethers.

A reminder that the City of Clarks Grove has a website. To access the website is: **cityofclarksgrovern.com**

Spring Cleanup: Our town has always been pretty well taken care of, but let's go out this year and get rid of the extra junk lying around – pick up and try to make our town look the best it can. Thank to a lot of you, we have kept the town looking great!!

Sump Pumps: As of April 1, all sump pump lines should be hooked up to the outside. There could be some spot checking to see if in compliance.

Welcome to our new residents to Clarks Grove. We have had a number of new families that have moved into our city since the last newsletter. Questions can be directed to myself, Bruce Hansen, at 507-383-2190 or City Clerk, Kathy Jensen at 507-256-8011.

Have a great Spring!
