Structure Secondary Plumbing Material 2:_ Is permit involved with food preparation area or kitchen waste plumbing? Yes If any remodeling of the commercial food preparation of kitchen waste plumbing facilities are subject to a permit issued by MABCD, the existing food service facility shall be required to install an approved, properly sized grease interceptor. Please contact the Water & Sewer Dept., Sewage Treatment Division, 529-9900, for the requirements.

*If updating the Private Side Service Line, Please list the what material is being replaced and what **NEW** material is replacing the old:
