Administrative Land Use Permit Application

NOTES: (1) The undersigned hereby applies for an administrative permit to do work described and located as indicated in this application. The undersigned agrees that all work will be done in accordance with the State of Wisconsin Uniform Dwelling Code and all applicable Zoning, Sanitary, Electrical, and/or Land Division Ordinances and codes. UDC building inspections will be performed by Adams County Planning and Zoning, and the applicant is responsible for all fees pertinent to those inspections. (2) There may be other regulations, covenants or deed restrictions that apply to your project. For your protection, determine if your project is subject to any regulations other than those of the Town of Leola, Adams County, and the UDC.
