Dear Resident:

The Village of Hewlett Bay Park has a resident phone notification system. This system will allow us to keep our residents informed in an emergency and storm updates.

For the Village to be fully operational with this system, we are requesting that you fill out the below requested information and send back to Village Hall via mail or e-mail to [hpbvillagehall@optimum.net](mailto:hpbvillagehall@optimum.net)

You can choose how you would like to be notified. This service offers notification thru landlines, cell phones and emails. Please note that text messaging will allow up to 180 characters.
