From City Hall January 2021

As we move into 2021, we have an abundance of turmoil about Covid 19 and with State and Federal politics that will directly affect all of us. Let's not talk about that.

Mother Nature is deciding whether to hit us hard with winter snow and cold...or not. We can bear through the weather, we have done it before and it will get better. We have removed the "No Trucks on Main Street" signs on Main St. The cold should have frozen the road enough to avoid shifting the clay soil beneath the tar. Come this spring, we will determine when we can get our final layer of tar applied to Main Street and be finished with construction. The last two street lights will be put in after bolts, that were broken off by trucks running over the street light foundations, are replaced. It is good to see cars in school parking lots, church parking lots, and on Main Street again. We have yet to see what the new normal might end up to be.

At City Hall, we have the best interests of all the residents in mind as we move into 2021 and plan for the future of Holdingford. Crystal balls are not an option, but the council is doing its best to map out good things for the city. Last spring, the city had a grant for the Music of our Heartland Polka Parties. The grant is being extended, and once it is safe, we will get the new dates set. The Chamber is moving forward with plans for Holdingford Daze in July. So the future is looking optimistic. In the upcoming weeks, remember all our small businesses and shop in the community.

Stay safe and best regards!

No Ashes Allowed

A reminder to residents, ashes cannot be placed in trash cans or dumpsters. Even if you believe they are completely cooled off, they are not allowed. Tom's Refuse has been instructed by the County to implement a \$200 fine if they find ashes of any kind in their trash cans or dumpsters. It is forbidden by the MN Pollution Control Agency as they cannot identify what was burnt.
