

From City Hall October 2020

Finally, we have our Main Street sidewalks done and the first layer of tar on! The final top layer of tar will be added this next Spring. Due to availability of the street light parts, street lights will be put in next month. It has been a long process with our utilities, street, and sidewalk upgrade. Thank you to the businesses that have had to wait patiently. Please visit and shop at these businesses. With the construction and the pandemic, our community needs to help each other. Our schools, churches, organizations, businesses, and we, ourselves, have not experienced the likes of what we have this year. So please continue to help each other.

The upcoming elections are on everyone’s mind, do your part and vote. The city council has an opening for a council member. If you are interested, you could be a write in candidate and participate in making decisions that help determine the future of Holdingford. New ideas for growth and change are never a bad thing.

Respectfully,
Sue Marstein - Holdingford Mayor

Holdingford City Council Position Open

The City Council has three positions on the ballot November 3, 2020. Sue Marstein has refiled for Mayor. Robb Berscheid has refiled for a 4-year council term. Bob Sanchez did not refile and a 4-year council term is open for a write-in candidate. If you are interested in learning about council duties to be a write-in candidate, please contact City Hall at (320) 746-2966. Then let your friends and neighbors know that they should fill in the circle and write your name on the line for the vacant city council seat. Get out and campaign! Council duties for newly elected members begin with the January 2021 meeting.
