## Form A-1: Project Categories and Fees

### for Notice of Intent (NOI) filed under the Medway General Bylaws Article XXI

The By-Law filing fees are in addition to State filing fees outlined by MA DEP in WPA Form 3 - Notice of Intent and its instructions. Two separate checks must be made payable to the Town of Medway: (1) the town share of the State fee and (2) the By-Law fee charged by the Town. As in DEP WPA Form 3, a separate check for the state share of the State filing fee is made payable to the Commonwealth of MA and sent to the MA DEP.

NOTE: At both the State and Town levels, a separate fee is charged for each proposed activity (and such activities are defined by the State regulations). For example, an NOI seeking an Order of Conditions for an addition to a single family dwelling and for a swimming pool, both in jurisdictional areas and Category 1 activities would have a By-Law fee to Medway of \$500.00 for two Category 1 activities.
