RE: Center Street Softball Field Drainage Work

Dear Resident:

Please be advised that the Town of Medway DPW and Contractor, Bowdish Excavation, will be starting work on the Center Street Softball Field on Monday, November 29th. There will be some activity prior to that date and to help complete the project in a timely manner, we have approved Saturday construction (not before 8am on Saturdays).

During the construction you may notice an increase in traffic on your street. We appreciate your patience as they work to get the job completed. Please note that this schedule is weather dependent and may change.

If you have questions or wish to report a problem, please call the Department of Public Works at 508-533-3275.

Thank you again for your patience and consideration while this work is conducted.

Sincerely,

Peter Pelletier
