Selectmen's Meeting

September 22, 1981

Present: Paul Mitchell, Paul DeSimone, James Jeffers
Administrative Assistant, Jeffrey Nutting.

- 7:00 The board reviewed correspondence and signed warrants.
- 7:15 The Board met with Angelo Sia, 18 Main Street, regarding cleaning up his garage property and to "show cause why his Class II license should not be revoked". Mr. Sia explained that the business was under new management and they had almost finished cleaning up the property and that it would continue this way. He also agreed to move his displayed cars back from the road. Selectmen felt the issue was resolved.
- 7:30 The Board met with Mr. Tortorella owner of property in the Oak Grove section which the town was desirous of acquiring in order to build a road to open an Industrial Area. Neither the Board of Selectmen or Mr. Tortorella were interested in acquiring the land by eminent domain. After some disasssing and bargaining an agreed price of \$1700. was determined upon by both parties. A formal vote was taken and the Board of Selectmen unanimously agree to purchase a parcel of land in the Oak Grove section of Medway for the sum of \$1700. this to include all land within that parcel.
- 8:04 The Board voted unanimously to enter into Executive session with Sgt. Arthur Mill to discuss personal matters relating to his employment.
- 9:00 The Board reconvened and met with Town Treasurer Frederick Lee and members of the Sewer Board. It was agreed that all concerned with funding of the sewer project would attend a meeting on September 30th at 11:30 in Boston with the Emergency Finance Committee.
- 9:15 The Board met with planning Board members George Lee Albert Marsh, to vote on replacing a vacancy on the planning board. Names submitted for consideration were William Rombalski of 35 Olsen Circle by Selectman Paul Mitchell, and Stanley Cerel by Planning Board member Alphonso Marsh. For Rombalski were Mitchell DiSimone, Jeffers, Lee. Mr. Marsh abstained.

Mr. William Rombalski was appointed to fill the vacancy for one year.

September 22, 1981

In other matters the Board voted: to appoint Edward Shaughnessy to finance committee, gave Mr. Goldstein permission to hold an auction at Zides Garage on October 17th from 9 to 5 p.m.

The Board also gave Town Counsel A. Handverger permission to expend up to \$5000.00 in settlement of the "Fox Case". According to Mr. Handverger this would be matched by the insurance company. Unanimous vote.

Also discussed was issue of Ronald Handverger who was in the process of resigning from the Board of Assessors. According to Mr. Handverger, Ronald had accepted an assessing work from the Board of Sewer Commissions. He evidently was unaware that this could be a "conflict of interest" and was resigning upon learning this. A discussion arose as to whether his salary for the work done for the Board of Sewer Commission should be withheld. The Board decided that a letter would be sent to Mr. Handverger inviting him to attend an executive session to iron out the problems to the mutual concern of all.

The Board met with Police Chief Lambirth and discussed routine departmental matters.

- 7:00 The Board met with Town Clerk Francis Donovan and drew names for the Criminal and Civil Session Court on October 30. Names drawn were: Joan Will of Ellis Street and Thomas Lucke, of Naumkeag Street.
- 7:10 The Board met with Samuel Katz of Mars Bargainland who requested relocation of a sign as the new Bay/Bank blocked the view of his building. The ^{board}unanimously granted permission for the relocation of his sign as a result of the hardship he had encountered with construction of a new building.
- 7:30 The Board met with the members of the DPS: Hoban, Wilson, Sabin, Rice, Heavy, Higgins and Town Treasurer Frederick Lee. Status reports were given by dept. heads. Administrative assistant reported on the cost of acquiring a time clock (approximately \$250. used) He was instructed to keep looking until a less expensive model was found. A discussion was held regarding compensation time, with Mr. Sabin making a motion and unanimously adopted by the members, that town employees henceforth would not receive compensation for attending conferences at regular board or department head meetings. Discussion was also held with regards to the Water Registrar salary account. Transferred to the water dept. on a total basis because of 2 1/2 from the treasurers office, an adjustment will be made to make the hours compatible with the budget of the departments she works for. Members discussed the need for members of the Sewer Board to attend a meeting with the State Emergency Finance Committee. Treasurer Lee said this was imperative in order to get approval of Bond Council. Sewer Board felt this was an imposition as they had attended several meetings in the past. The administrative assistant was instructed to establish the necessary procedures required to achieving the funding by Selectmen.

In other matters the Board received a report from Representative Marie Parente regarding current legislation.

Voted to deny a request for a permit to have pin ball machines at Ferandez Super Market, feeling it was not in the best interest of the town.

page 2

Voted unanimously to appoint Richard Cenedella and Gerry Lydon as members of the Anderson School Committee

The Board met with Chief Lambirth to discuss departmental matters. Chief announced that a request had been sent to Civil Service for a Sgt. list for one opening. Chief also reported that the radios were in need of repair and that he could put a request in for the Capital Improvement Budget.

Present: Paul Mitchell, James Jeffers, Paul DeSimone, on vacation
Administrative Assistant..Jeffrey Nutting.

7:00 - Board met reviewed correspondence and signed warrants.

7:15 Board met with Michael Mushnick, constable from Millis. Mr. Mushnick requested appointment as Medway constable citing the need for someone who has the ability to use a gun and handcuffs. He stated that there was sufficient work for both Mrs. Ross our local constable and himself. Selectman Mitchell expressed concern regarding the need for force in civil matters. The request was taken under advisement by the Board.

7:30 Board met with Mr. Ness a private planning consultant with regards to the future use of the Anderson School. An outline report on file in the Selectmen's office was presented by Ness directing a course of action and various alternatives for the use of the school. Mr. Ness's unofficial recommendation at this stage would be to market the property for housing in order to achieve the profitable use. However, he strongly recommended that the Selectmen appoint a study group to look into the various alternatives and that he would be glad to work with the group. Estimated consultant fee would be the vicinity of \$7000 to 8000. Mr. Ness also recommended that a tenent be found immediately in order that the building not be subject to vandalism.

8:00 The Board met with Town Accountant Louise Redding regarding the payment of longevity benefits to police department personnel. Mrs. Redding stated that by paying the men at the beginning of the fiscal year, the town would not be following proper fiscal budgeting. Selectmen stated that in view of the fact that this has been an on-going policy, the procedure would be continued until such time as a clarification could be made with Police Association and would be defined at the beginning of the next fiscal year.

8:30 The Board met with Robert Saleski of the police association and given a report on the situation regarding the payment of longevity to the men.

Present: Paul Mitchell, James Jeffers, Paul DeSimone
administrative assistant, Jeffrey Nutting.

7:00 p.m. The board reviewed correspondence, signed warrants.

7:15 p.m. Met with Edward Reardon of the Insurance Committee. Selectmen Mitchell expressed his distress at not being presented with an analysis of the extent of coverage the town has in purchasing the policy presented by Mr. Reardon. Following a discussion the Board voted to renew the town's policy at a cost of \$23,999. plus \$1500.00 for additional options as outlined in attached sheet. Options to be determined at a later date. Unanimous.....

in other action the Board:

-voted to table a request in Registry of Deed fees as requested by James Collins, County Treasurer.

-adopted the recommendation of the Town Accountant Louise Redding as presented in her letter to the board under Example #2.

"The Town of Medway will compensate employees who are absent due to industrial accident the difference between his or her regular wages and the amount received from workman's compensation for the period of disability for which such workman's compensation benefits are received or (number) months from the date of the award of workman's compensation benefits whichever occurs first. However, employees covered by collective bargaining agreements will receive benefits as specified in such contracts in effect at that date. July 1, 1981. Unanimous.....

Board of Selectmen
Town of Medway, Mass.

Gentlemen:

Last evening the insurance committee consisting of Edward Handwerker, Walter Kasnewsky, Jeffrey Nutting, and Edward Beardon, met and reviewed the packaged insurance renewal for the coming year.

We recommend the following insurance be purchased:

\$16,871,828 Blanket limit for Building and Contents, with co-insurance of 90%, a deductible of \$1000, and Comprehensive General Liability Insurance of \$500,000.

Replacement Cost & Agreed Amount Clause: Included.

Cost	\$23,999.00
------	-------------

We recommend the additional purchase of insurance options as follows:

Streets & Roads	1,856.00
Umbrella Liability \$1,000,000	1,500.00
Broad Form Perils	2,036.00
ENT and Nurse Malpractice 17 \$50	850.00
Police & Fire Personal Injury (false arrest)	275.00
(coverage known as Broad Form Comprehensive Genl. Liability)	
Changing to a \$5000 deductible	1500.00-
Total	\$29,016.00

We request that you send a letter to Edward Beardon, E.C. Beardon Insurance Agency, Inc. instructing him to renew the policy and the particular options that you have selected, additionally setting forth the options that you do not want. A complete understanding of the coverages offered and the ones that you have selected will be achieved. We also recommend that anyone using the town buildings or grounds for other than town functions, provide a certificate of insurance showing liability coverage of \$1,000,000.

Sincerely yours,

Edward C. Beardon

SELECTMEN'S MEETING

6/2/81

Present: James Jeffers, Paul DeSimone, Paul Mitchell.
Jeffrey Nutting, administrative assistant

7:00 Board signed warrants and reviewed correspondence and took the following action:

appointed Rosemary Hurley as Medway Coordinator for Handicapped...1 year.

appointed Francis Cassidy as Animal Control officer1 year.

announced the opening of office of Dr. Nora Morse for the practice of medicine. The arrival of Dr. Morse was through the efforts the Medway Business Council.

received and filed requests for appointment as Town accountant by Gerald Liscombe and Michael Musnick as constable.

8:00 Board opened bids for the Board of Health for Garbage pickup:

Bids: Condryn, Westwood	\$26,300.
Cassidy, Medway	16,333.

Bids taken under advisement.

8:15 Board met with H. Sabin, G. Rice, R. Heavy of the Sewer Board, R. Wilson of Water Board, R. Sunderland of fin/com and F. Lee, Town Treasurer. Also several residents of the Meadow, Pond, Florence Circle, and Sunset Drive to discuss Phase 3A of the Sewer Project. According to Town Treasurer the cost of borrowing for continuing the project was a problem in that unknown factors may draw on anticipated revenues. Spokesman for the group of residences, Mr. Edward Culhane of Meadow Rd. said that a survey of residents who would be hooking up to the new sewer system had had resulted in a positive effort, with a projected \$10,000. to 14,000 being put in a special "betterment account" to help offset interest costs. The funds would be held in escrow and offset later betterment costs on the homeowners use. A ruling by Town Counsel Abraham Handverger indicated that the account would be legal. Town Accountant Mrs. Redding also indicated approval. A consensus of opinion indicated that even with unknown factors, the positive effort by the residents in addition to already completed design status, the project should go forward.

Minutes: 6/5/81

- 8:45 The Board met with the Tree Warden regarding the Gypsy moth problem. It was determined that an estimated budget figure should be made for possible use during fiscal 81 and 82.
- 9:00 Board met with Police Chief to discuss departmental matters. Chief announced that William Doucette, dispatcher in the department would be leaving. He stated that the slot would be filled with special for the time being.

SELECTMEN MEETING

May 26, 1981

Present: Paul Mitchell, James Jeffers, Paul DeSimone,
Jeffrey Nutting, Administrative Assistant.

7:15 The Board met with Samuel Musnick regarding his request for a class II license for the buying and selling of automobiles at his place of business on Broad Street. On ruling of Town Counsel Mr. Musnick was referred to the ZBA and the board voted unanimously to deny the petition following this ruling.

7:30 The Board met with Supt. Higgins of DPS. on matters regarding the public services.

Drainage on Fisher Street from Glynn and Dymytryk buildings. Consensus from the Board was that the builder should be responsible for solving water drainage problems not the town, and to make sure that water was not dumped illegally on any property.

Trees: establish priority to have Fred Sibley and work force remove trees from the Town nursery and replant at Oakland Street park.

8:00 The Board met with Edward Reardon regarding the town insurance policy for building coverage. The discussion was a continuation of one held several weeks previously. Mr. Mitchell stated that he could not in good conscience approve a contract that he had not seen in writing. Mr. Reardon stated that the insurance policy would be presented to the board on June 15th for their review. (\$500,000 all liability). A check for \$2,052. was turned over to the Board, dividend from town's previous insurance.

In other business the Board voted to have a letter sent indicating they did not support the Norfolk County Hospital in Braintree or the Municipal Golf Course.

Additionally, Mr. Mitchell took issue with a letter sent to the board by a resident citing irresponsible driving on Memorial Day by the fire trucks in answering a call. Mr. Mitchell stated that as a member of the parade he had observed the scene and had at no time seen any irresponsible action on the part of the fire Dept.

The board also accepted the withdrawn petition of A. Weiner for constable. He is a member of a collection agency and unable to serve.

Reviewed correspondence and signed warrants:

SELECTMEN'S MEETING
May 19, 1981

Present: Paul DeSimone, Paul Mitchell, James Jeffers, and
Selectmen administrative assistant, Jeffrey Nutting.

7:00: Grand Jury and Civil and Criminal Jurors drawn: Philip
Buxton, John McMury and John Connelly.

7:15 Abraham Weiner met the board to request an appointment
as constable for the Town of Medway, a position currently
held by Mr. Musnick of Millis. As a resident of Medway
the Board voted unanimously to appoint Mr. Weiner as
constable effective June 18th.

7:20 The Board met with Mrs. Carol Clinton of Boston Edison
regarding a petition by New England Telephone Company
for the installation of a guy wire on a pole located
on the Northly side of Welling Street, and High Street.
Also in attendance at the public hearing was Mrs. Theresa
O'Brien whose property abutts the pole area. Mrs. O'Brien
objected to the petition citing the fact that several
years ago when she requested that the pole be relocated
as it was a safety hazard in entering her drive, the utility
company was very uncooperative and estimated the cost to her
would be over \$600. Selectmen Mitchell took issue with
the manner in which the petition was handled as the Board
had supported Mrs. O'Brien in her attempt and no work
had been received from the company. In view of the conflict
Mrs. Clinton withdrew the petition and requested the Board
contact the telephone Company.

7:30 The Board met the members of the DPS, O'Hara, Wilson, Lewis
Rice, Sabin, Guyette, and Supt. Higgins to discuss final
salary schedule for budget '82.

During discussion several issues were raised regarding the
performances of the highway workers which were critized by
Selectmen Mitchel and DeSimone and Park Commissioner O'Hara.
and resulting in the red-lining of the supervisors Higgins
and Powers. Selectmen Jeffers opposed the basic salary
schedule as it did not include raises believing that in view
of inflation all workers should get some renumeration.

A motion was made by Selectmen DeSimone for a total salary
budget of \$165,168. for the fiscal year 82. The motion was
seconded by Sewer Commissioner Sabin. The proposal included
red-lining Higgins, Power, Armstrong, Bergamini and raises
of 7% for Clark and Tedford, 8% for Smith, Sibley, McLaughlin
9% for Flaherty and 10% for Vestute. An amendment was
made by Park Commissioner O'Hara, seconded by Guyette that
Sibley's increase be moved to 9%, this was added to by
Sewer Commissioner Sabin and seconded by Rice, that McLaughlin
be dropped to 8%.

Administrative assistant Jeffrey Nutting.

7:00 p.m. The Board re-organized for the coming year.
James Jeffers was elected Chairman, Paul
DeSimone, Clerk.

7:15 p.m. The Board discussed the dog complaint regarding
Passerello VS McClain. Mr. McClain indicated
by letter that he was satisfied with the current
arrangement of having both dogs restrained.
However, Mr. Passerello who appeared in person,
petitioned the Board that the restraint on his
dog be removed. Chief Lambirth who attended the
meeting advised keeping both dogs restrained for
the safety of the neighborhood children. Follow-
ing a discussion the Board ruled that Mr.
Passerello's dog be allowed to run free while an
adult was home, and that the removal of this
restraint be for a period of time until one week
prior to the termination of school, at which time
the Board of Selectmen would re-evaluate the
situation. (May 6, 1981 until June 9, 1981.)

8:00 p.m. Bids were opened by the Board of Selectmen for
the Board of Health on garbage pickup and high-
way bids for materials. All bids were taken under
advisement. (for details on individual bids, see
bid folders.)

9:00 p.m. The Board met with the Trustees of the Medway
Cooperative Bank, Treasurer G. Griffin and Attorney
Handverger. Final agreement was worked out
regarding access by the Cooperative Bank to
Whiting Street. Plot plan with specific dimensions
and information to be available for discussion at
town meeting on May 12th.

In other business the Board reviewed correspondence, signed
warrants, signed Medi-Care extension, and approved an
addition to current town barn from materials left after the
old town barn has been demolished. Addition to be restricted
in size as to that which will result from available materials
after the building has been razed.

Present: James Jeffers, Paul DiSimone. Administrative assistant. Absent Paul Mitchell,

7:00 p.m. The board review correspondence and signed warrants. Delayed until the arrival of P. DiSimone.

7:30 p.m. The board met members of the Board of Library Trustees A. Yonda, S. Nutting, S. McKay., M. Handverger, J. Dronzek and Librarians of the Medway Public Library.

The Library Board expressed concern regarding construction problems with new library. The engineering firm of Whitman and Howard and architect ~~Weller~~ had employed a clerk-of the works who had allowed copper heating pipe as a substitute for cast iron. Because of this and several other problems the trustees had not paid the balance of the bill owed.

Selectmen indicated that a letter should be sent to the engineer, architect informing them that the town accountant would be instructed to withhold payment of funds until all matters had been cleared to the satisfaction of the trustees. The board was also asked to keep the Selectmen and Town Counsel advised of progress.

8:00 p.m. The board met with members of the DPS, fin/com and Town Treasurer to discuss the status of Phase III of the sewer project.

Mr. Sabin of the Sewer Board reported that word had been received from the State approving the construction of Phase 3A (247,148.) Check for \$37,000. was forthcoming.

Treasurer Lee indicated that he was hesitant about going ahead with the project even though the state had given approval, as the cost of short term borrowing was going to be expensive. He also felt that if Voters did not approve the bank sale and legislature the transfer of funds for the the replacement of the main street drain the town was going to be in serious financial straits.

Members of the Sewer Board and Board of Health believed that the septage problems of the area contained in Phase 3A were so severe that health hazard would result if the town did not go forward. The Sewer Board indicated that they were looking into establishing a set-up for collecting betterments up-front to help defray costs.. The town counsel indicated that this can be done through an escrow account.

Selectmen DiSome said that by going forward and bonding the additional funds to the meet the \$2.6 million needed for grant purpose by Farmers Home would not committ the town to finish the total \$7 millions project.

Selectmen JEFFers indicated that he would like to see the finance data assembled in a form indicating the benefits

Fin/com members Southerland and Robinson were in agreement with Treasurer Lee that the high cost of borrowing in addition to several unknown factors regarding next years receipts and transfers could result in jeopodize the towns financial structure.

CONCENSUS: Sutherland, no., Lee abstain, Robinson no, Sabin, yes, Wilson, yes, DeSimone, yes, Rice, yes, Jeffers, yes, Heavy, yes, Mitchell (proxy) yes.

The selectmen determined that the next DPS meeting water lines for Kinberly drive and Wards lane would be discussed.

at 10:00 p.m. the Board met with Chief Lambirth to discuss Approval of R. Malo's courses, Sgt. Mill's retirement, Thibeault case and police budget.

The Board in an unanimous vote appointed. W. Yanco to the newly formed Dispatcher and communications investigation committee to seek out possible ways of reduced costs by joint efforts.

Wyman and June DeCuto.

7:10 p.m. Board met with Edward Handverger, W. Wasenesky, E.
Reardon to discuss the town's overall insurance
coverage. Mr. Reardon presented a new concept
in insurance coverage. A policy whereby all
town buildings would be covered and in event of
destruction by fire would be replaced on a per
square foot basis. Mr. Mitchell questioned
the extent of replacement in so far as what type
of building and who would build the building.
Based on the lack of information the Board said
they would like a comprehensive package made up
for information and bid use. Voted to authorize
\$2000.00 be appropriated from consultant fees
if necessary to advise the town on their needs.

Water survey report due May 5th.

Sewer Board: Waiting state reply on funding for
Phase 3A.

Park Department: Revamping little league field
at Choate Park with storage area and concession stand.
No cost to town, volunteer labor and funds.

A./ Mr. John Larney of 3 Winthrop Street
Mr. Russell Sherrill, of 1 Winthrop St.
Mr. Robert Lubinski, of 13 Winthrop St.
appeared at the selectmen's office with
several complaints regarding the project
such as: litter, ugliness of the new
concession building (bunker) and general
unattractiveness of the area.

B./ Mr. O'Hara of the Park department indicated
he was unaware of the concerns and would get
together with them to discuss the project.

He said the little league group expected to make the site more attractive with landscaping, also would look into Community Garden cleanup. Selectmen said that the fence being open was a result of the vandalism and a request by the police department for access.

Highway Department : Discussed salary structure. Selectmen motioned to recind earlier vote on Powers in view of his fine performance during evaluation. Voted to have Powers remain at Heavy Equipment Operator and his pay to be red-lined at present rate. Unanimous. Will discuss specific pay rates of individuals at next months DPS meeting.

9:30 p.m. Board met with members of the Medway Police Assoc. to disuss the budget cut of two police officers. (see attached report). Report read by Officer Robert Saleski at meeting.

Chairman Mitchell said report would be taken under advisement until such time as members were able to digest the material and absent member Mr. Jeffers had time to see the information.

Sgt. Paulette questioned short shifts, crossing guards and extent of overtime needed to replace officers at school and on vacation.

Sgt. Saleski, remarked on the lack of flexibility that would insue as a result of the reduction in force.

Officer Malo cited the scarcity of ambulance personnel.

In other business the board: reviewed correspondence, signed warrants, instructed that a breavement letter be sent to Mrs. Soforenko.

To:
Honorable Board of Selectmen
Chief of Police, David Lambirth
Members of the Finance Committee

It has recently come to the attention of the members of the Medway Police Association that because of budgetary cuts within the police department, Chief Lambirth is forced to reduce the police department by two police officers.

We of the Medway Police Department and the Medway Police Association wish to bring to the attention of this board and to the Townspeople of Medway what the affect these reductions will have on the services of the police department to the community.

Approximately one year ago Chief Lambirth, Officer David Consigli and several of the merchants of Medway instituted a Crime Watch and Neighborhood Watch program. This program operated without cost to the town except for the time on the job needed by the Crime Watch Officer to setup, and attend the 37 community meetings that were held.

The results of this ongoing program to get everyone involved in Crime Watch was encouraging and rewarding. This Crime Watch program was partially responsible for the crimes of breaking and entering being reduced by 37% for the first six months the program was operational. It was also directly responsible on two separate occasions where people having attended a Crime Watch meeting called the police to report suspicious activity. Both incidents ended in the arrest and conviction of criminals breaking into business establishments. This program also had a direct result in the apprehension of 5 people that were making obscene phone calls throughout the town.

This program will be seriously cut or eliminated.

The department at the present time has an active and ongoing juvenile crime detention and diversion program. This program deals with the apprehension, identification and reformation of juvenile offenders. It attempts to provide guidance and correction to the youths before they become involved in full fledged adult crimes. The juvenile officer spends a good deal of on-duty time staying in contact with the youths of Medway,

staying aware of all avenues available to juvenile offenders through the court system. The juvenile officer handles most all matters dealing with the youths that come before the police department. As of one year ago the identification and prosecution of youth crimes and vandalism was approximately 5% successful. That rate has now been increase to 70%. This program because of the manpower cuts will be seriously curtailed or eliminated.

Last May the police department began assigning investigative matters such as breaking & entering, robberies, or burglaries to two officers. These Officers were given time during work hours to follow up investigations by making contacts with other town's detectives, with businesses dealing in second hand merchandise trade and with the victims of these crimes. This program resulted in numerous arrests and convictions and the clearing up of many backlogged cases. This investigative unit resulted in the solving of 54 house breaks in Medway and surrounding communities, the closing of a business dealing in stolen merchandise, and the recovery of thousands and thousands of dollars of stolen itmes.

This program is no longer in operation.

In addition to the two police officers being cut, it is also noted that all three of the school traffic crossing guards will be eliminated. At the present time there are four elementary school crossing posts that are covered each school day. These posts are covered by the three crossing guards and one of the dayshift police officers. With the reductions in the police department force, it will be impossible to cover these four posts simultaneously with only two available officers.

In addition, other safety cuts throughout the department would mean that the safety officer would not have the time available to continue safety programs with busses, with bicycles and with pedestrians. These programs would not receive the attention they need or deserve to provide the youth of Medway through the school system, the necessary training in the safety techniques.

Almost all of these programs already mentioned have effects on the elderly, the youth, and the school system. Most of these programs cost very little or nothing at all except for the manpower hours needed to research, organize and conduct them. It will be these hours of flexibility of manpower that will be eliminated through this reduction in force of two officers.

It may be added here that because of recent personnel reduction by either resignation or termination, this department is already operating with only 12 officers and the results of this are already beginning to show.

With the advent of the Court REform Act a few years ago, the Town of Medway through it's police department court business has received between \$27,000 and \$36,000 per year. These amounts are funds acceded by the courts through criminal and non-criminal business of the police department. The funds are turned over to the town's general revenue account. A magistrate of the Wrentham District court has noted that very recently Medway has declined from the 3rd busiest to 7th busiest town doing business within their jurisdiction.

We do not feel we could possibly address all of the problems that would befall this department by the reduction of the two officers. We feel that other safety factors, patrol reduction and response time have all been addressed by every town whose departments must be reduced. These too, would become factors in the day to day operation of this department.

We do want to specifically point out the many good programs workable and rewarding that are in jeopardy because of these cuts.

Finally after all this data has been introduced we wish to present a very hard, very real and very solid reason why these cuts will be unwise and most important, uneconomical.

With a force of only 12 officers as opposed to a full strength of 14 there is little or no flexibility within a 24 hour a day 7 day a week schedule to cover the shifts that will become vacant through the current average sick time, personal days, a 12 week mandatory training class for a new officer, or the shift that will be vacated by officers on vacation.

Beginning June this department will have an average of two officers on vacation for the proceeding 14-16 weeks. Unless this department intends to run with only 10 officers instead of even 12 for the entire summer it will need approximately \$42,000-\$43,000 in overtime to cover all the shifts that will be vacated. The current fiscal overtime budget is \$20,000. If you take that into account along with the fact that the reduction in force involved the elimination or curtailment of investigative officers, juvenile officer, safety officer, crime watch officer and selective enforcement, the money that is now returned through the court system would decrease by at least 1/3, the cost to the town would total \$57,000 - \$58,000. To replace the two new officers it would cost the town \$26,800. The schedule would then be more flexible and able to stay reasonably

close to the allotted \$20,000 overtime budgeted.

Please understand, we realize that your position as Board of Selectmen, that the task of the finance committee, and the job of Chief of Police are all monumental in having to deal with this years budget. Understand also that what we have presented, we feel is in the best interest of the town of Medway and its residents. Each and everyone of us as a homeowner, as a taxpayer, and as long term residents of the Town of Medway feel that these cuts are truly unwise.

We hear and see everyday people saying that proposition 2 1/2 was not intended to cut police and public safety positions but we also realize that public safety and police positions are being cut by the score.

We wish that you would reconsider these cuts for the safety of the town and its residents, that for the amount of \$27,000 we don't take a giant step backward.

Signed:

Selectmen's Meeting
4/14/81

Present: Paul Mitchell, James Jeffers, Paul DiSimone
and Jeffrey Nutting, administrative Assistant.

at 7:00 p.m. The Board met with Town Clerk Francis Donovan to discuss a reduction force at the election polls. (see attached report). According to Mr. Donovan with the use of the polling machines the need for additional clerks will not be necessary. Selectmen voted unanimously to reduce the number of workers and to notify both political parties.

at 7:30 The Board met with representatives of the Cable T.V. Committee and accepted the final report from the Chairman, Richard O'Leary. Based on the findings of the committee, the Board voted the following:

voted to approve a license for cable television to SouthEastern Massachusetts Cable Television Town of Medway. Moved by DiSomone, seconded by Jeffers. Unanimous.

voted to deny a license to Rollins Cablevision. Moved by Jeffers, seconded DiSimone, Unanimous.

voted to deny a license to Sammon's Cablevue. Moved by DiSimone, seconded by Jeffers. Unanimous.

License to be provisional for one year as required by law. Letter of vote to be sent to applicants and to Massachusetts Commission on Cable Television.

Noted by Board: Outstanding job performed by local Cable Television Committee. Commended for their fine and thorough evaluation and report.

at 8:00 The Board met with Paul Chailman of the Sleep Sofa shop in the shopping plaza regarding his advertizing sign. Was given temporary permission to continue until more definitive measures could be implemented regarding all outdoor advertising signs.

Selectmen's Meeting

Continued

at 8:15 The Board met with Police Chief Lambirth. On his recommendation Paul Grimes was appointed a special police officer for the Town of Medway. The Chief also noted that letter had been received from the Mass Labor Relations Board regarding the pending case on Officer Thibeault whereby the Commission had voted negatively on Thibeault's petition.

at 9:00 The Board met with Town Consel Abraham Handverger to resolve boundries and rights of way regarding the pending sale of Medway Savings Bank, now owned by town, to the Medway Cooperative Bank. (see attached article as voted by board to be submitted at the annual town meeting).

In other business the board voted:

to give permission to the Newcombers Club to meet on a regular basis at the town hall.

to give ERA permission to solicit funds days but not evenings.

to request former town planner Charles Downe of Hewton to provide scientific data regarding flood plain zoning.

Approved the date of June 15, 1981 for the annual town meeting.

Signed warrants, reviewed correspondence.

Mr. Paul F. Mitchell
Chairman, Board of Selectmen
Medway Town Hall
Medway, Massachusetts 02053

Dear Mr. Mitchell:

On Saturday, March 28, 1981, the Medway Cable Television Advisory Committee (MCTVAC) met at the Medway Public Library, High Street, to decide upon what Cable TV applicant it would recommend to your Board for licensing. Three applicants were considered: Rollins Cablevision (Rollins), Sammons Communications of Massachusetts, Inc. (Sammons), and Southern Massachusetts Cablevision of Medway (SMC). Representatives from these three Cable TV companies were present: Mr. Angelo J. Roberti of Rollins; Mr. William K. Headley of Sammons, and Mr. Brendan Perry of SMC.

I believe that you are aware that the MCTVAC specified some 27 different topics to which the Cable TV applicants were to address themselves. It was carefully noted that all three applicants met these specifications. The committee felt that all three companies were financially sound and were capable of performance. This made our decision particularly difficult.

After $2\frac{1}{2}$ hours of further comparative study, the MCTVAC voted with the following results:

SMC.....	3 votes (Yanka, Yonda, Carucci)
Rollins.....	2 votes (O'Leary, Robertson)
Sammons.....	0 votes

Hence, the Medway Cable Television Advisory Committee recommends that the Medway Board of Selectmen award a temporary license to Southern Massachusetts Cablevision of Medway (The Alda Group).

This decision to recommend that SMC be awarded the Medway license was based on the following:

- 1) SMC's monthly rates were the least expensive (\$12.95) for basic, educational, and HBO.
- 2) SMC will provide the town of Medway with the greatest number of channels.
- 3) SMC will provide free installation for the first 120 days.
- 4) SMC will commit the largest amount of money to Medway's local origination during the first 10 years. (\$167K)
- 5) SMC will offer the greatest number of movie channels.
- 6) SMC will build a triple-trunk system, and
- 7) SMC was recently awarded Cable Television franchises in Hopedale and Marshfield.

Although Rollins did receive 2 votes from the MCTVAC, it was the most expensive (\$15.95) of the three applicants for basic, educational, and HBO. In addition, Rollins charges an installation fee of \$7.50 during a 60 day introductory period.

Sammons did not receive any votes primarily because of its dependence upon the pending Milford franchise to provide Medway with the components it bid. If Sammons does not receive the Milford franchise, it would have to purchase services from the Cablevision company awarded the Milford bid. This could cause extra competitive disadvantages and delay in construction.

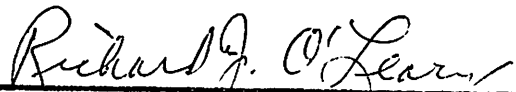

The awarding of the Medway Cablevision contract to Southern Massachusetts Cablevision of Medway means that Medway will have a cablevision system with the following features:

- 1) There will be a full-color regional studio in the Medway area.
- 2) SMC will provide a regional mobile studio which can be attached to a high school studio to augment its production capability.
- 3) A discount for senior citizen housing of 20% will be offered with the possibility of discount to other senior citizens.

- 4) SMC will provide a budget of \$50,000 for equipment which the town can assign to the schools or municipal department in order to use the institutional network.
- 5) SMC will provide a system with a 52 channel capacity to subscribers' homes and four channels returning and 104 additional channels in SMC's institutional network for municipality and educational uses. The system's total capacity will be 160 channels.
- 6) Addressable converters will be available so that subscribers can request programs individually in addition to premium pay television channels.
- 7) SMC will guarantee all its rates for two years, and
- 8) SMC, part of the Alda Group, has franchises for 23 municipalities with more than 52,000 basic subscribers and 50,000 pay television subscribers. It has annual revenues of \$12 million and total available capital of \$16.3 million for those systems.

Attached to this MCTVAC Report is a detailed chart which readily compares the three finalists in approximately 85 categories. It is included with this Report to assist you in your deliberations.

Selectmen's Meeting
4/7/81

Present: Mr. Mitchell, Mr. Jeffers arrived at 7:30
Mr. DeSimone was absent. Also in attendance
was J. Nutting, Administrative Assistant..

At 7:00 the weekly warrants were signed and correspondence
was reviewed.

at 7:15 Mr. Mitchell adjourned a public hearing on the
transfer of the West Medway Licquor location
until the arrival of Mr. Jeffers in order to
have a quorum.

During the break an interview was conducted with
Mr. Entenman of Fisher St. for a position on
the Town's Fin/com. During the interview Mr. Jeffers
arrived and both members of the Board voted
to nominate Mr. Entenmann to the Fin/Board
effective immediately.

At 7:30 The public hearing on the transfer of location
of the West Medway Liequor Store to facilities
on Main Street. (former Golden Meadow Ice Cream
Plant)'was reconvened.
According to the owner of the property Mr. Finklestein
and Attorney Mattarese the property would be
remodeled having a stucco finish, lower windows
and limited signs. Intention was to have an
attractive low profile establishment. Conditions
also include gate access to Mrs. Hofstra and Mr.
Harrington. Target date for opening July 1, 1981.
The board voted unanimously in favor of the
transfer) pending conformance to specification
performance. No objections were recorded opposing
the transfer by abutters or other residents.

At 7:45 The board discussed with Col. Matondi the omission
of names from Veterans Memorial Plaques. Since
plaques were cast in bronze it would be impossible to
add names. Selectmen indicated that a letter would
sent to Senator Kennedy and Representative Early
advising them of the difficulty rectifying the situation
and requesting their aid.

at 8:15 The Board voted to go into executive session to
discuss Sgt. Arthur Mill of the Police Dept. physical
condition. (see separate minutes)

All Town Boards Meeting
Joint Workshop
4/4/81

Attendance: Approximately 60 Residents

Board Representation: see attached list.

Representative Marie Parente

Mrs. Parente reviewed current matters and legislation in progress at the State house which included: increased state aid to communities to relieve the impact of "2 1/2", budget control at county level, non-profit community residences and the cherry sheet report. Mrs. Parente stated that she was not in favor of the Governor's "Better Budget" feeling that the state could make additional cuts and return more to the city and towns. She reported that Medway's bill for a combined sewer/water board appeared favorable for passage. In view of 2 1/2 Mrs. Parente suggested that the town incorporate a bylaw for reconsideration votes.

Arts Lottery/Jeanne Pinkham

The Council is in a holding position as funds have not been sufficient enough to make awards to localities for grants. Probable change in costs of tickets from \$5.00 to a lower figure by legislature in order to generate additional sales.

Tri-County Regional School/Jack Hurley, Supt. Custy.

Reduced regional budget \$645,000. which includes loss of one administrator, 6 academic teachers, 4 voc. teachers, 3 clerks 1 custodian, 1 music teacher, 2 counsellors. Medway's assessment of \$228.00 further reduced by fin/com to \$210.000. Would have to eliminate outside work details by students, and increase class size. Will need \$49,000 to \$50,000 additional funds in order to meet assessed needs as updated.

Assessors/Albert Borek

Local board currently doing assessing part-time with paid part-time assessor. Must sign contract by July 1, 1981 with a firm to have complete full reassessment by 1982 or state will set town's assessment. Expected costs for reassessing approximately \$105,000. which does not include utility companies. Certified valuation for current year \$163,172.000. Million.

Fin/Com./ Marilee Stewart

See attached sheet for fin/com recommendations for budget fiscal year 1982. Mrs. Stewart also outlined several problems in budgeting for forthcoming year which she felt should be brought to the attention of all concerned which included: The need for restoring the \$111,000. spent on the Main Street drain, the small amount of funds being allocated to the reserve fund (\$20,000.), the lack of funds being allocated to the stabilization fund, the increased need funds for the tri-county assessment and the fact that no funds had been allocated for snowplowing or highway projects. Also to be considered was the possible need for additional funds if the sewer project was resumed. Mrs. Stewart and Jeffrey Nutting reminded board members that a special

Joint Workshop, Cont'd

town meeting was to be scheduled in the near future and departments with deficits and needing transfers should submit articles to the Board of Selectment.

Board of Health/Joseph Hoban

Health inspection at local facilities has been completed. Permit fees increased. Will need end of year funds to pay Health inspector and plumbing inspector.

Board of Selectmen/Jeffery Nutting/Paul Mitchell

Board recommendation that the Medway Savings Bank be sold to the Medway Cooperative Bank, with the town retaining the land (parking area) vault space in lower level of bank, and the option to repurchase the bank if offered for sale. Price \$101,000 plus. Town would gain ownership of land and pay off bank note due June 1. Board would have like to retain ownership of building but in view of 2 1/2 and lack of funds felt the sale with the considerations was the town's best option. Also reported on repair of Red Bridge which was recently completed at no cost to the town. Mr. Mitchell also explained to group how the evaluation process was carried out by the department of Public Services. Increase Liquor license fees.

Building Inspector/Walter Johnson

9 new house permits, 17 anticipated. Average house costs \$50,000. minimum fee of \$100.00 for house permit. Revised fee schedule upward in line with costs.

Cable TV/Richard O'Leary

Following an intensive investigation and an interview of three companies, the committee on a 3/2 vote recommended the Board of Selectmen enter into a cable t.v. contract with the Southern Massachusetts, Town of Medway, Group Cable T.V. Pending award by April 24th, Medway could have T.V. within year. Award includes hook-ups to all town owned facilities at no cost to town.

Capital Improvement/Lee Henry

Received 4 requests, 2 disapproved and 2 were approved pending funding. Approved, \$9,000 new police cruiser for 1982, and approximately \$600,000. request for continuation of the sewer project.

Charles River Pollution Control District/Robert McRae

Continuing odor problem which the district is attempting to solve. Millis a possible addition to the system. Would assume buy-in costs in addition to operating costs. Unlikely that Holliston will come in as they feel they do not have a problem.

Conservation Commission/Richard Chbate

Opposed to fin/com recommendation of zero funding. Will ask for \$5,000 funding at annual town meeting.

Sewer Commission/Harry Sabin

Completed Phase I and II. Cost 5.1, Medway costs 1.6. Phase 3A design completed. Construction on hold pending availability of state funds.

Council on Aging/Joseph Hennessey

Drop in Center to close in July and August. Problem with Transportation resulting from school awarding new contract to B & W. Advised to resolve conflict with school and bus authorities.

DPS/D. Higgins

Complete projects within guidelines of budget. Reduced force by three men.

EMT/ Salvatore Spataro

Raised ambulance fees to keep abreast of current costs.

School Committee

Several changes made in total budget but bottom line not changed. Made their necessary cuts resulting in a loss of 45 to 50 employees. Non-tenured personnel have been notified of discharge. Tenured personnel will receive notice following a hearing. See attached budget. Charles Silva, school committeeman, requested that in view of the fact there would be a reduction in the school bond debt the school department be given consideration in use of funds should this become a windfall. Selectmen Jeffers said it would be considered. However, the tri-county would also have to be considered. Representatives from the school committee, selectmen and fin/com would attempt to resolve issue prior to town meeting. School committee also voted to close Anderson School. Decision on how to use the school will be made following a meeting on May 8th.

Civil Defense/ Telephone police department as there is no phone for civil defense.

Historical Commission/Philip Parchesky.

In process of indexing and photographing all old homes in the town.

Industrial Authority/James Jeffers

Business council in process of looking at Oak Grove property to find access into the property for industrial use.

Landfill Committee/Paul Griem

Searching for property for a new landfill area. Article on town warrant to contract for the dumping of refuse at the Plainville Regional Dump.

Library Trustee/John Dronzek

Reduction in budget resulted in closing library several hours per week. Closed on Monday's and Friday evenings. Library has 3/9 hour days, 1/5 hour day and 1/6 hour day.

Moderator/Richard Maciolek

Town should consider option to delay town meeting until June 30th pending funding of state aid. Fin/com members agreed.

Park Department/Joseph O'Hara.

Reduction in force to keep budge in line with fin/com request to meet 2 1/2. Consideration utilizing additional 4 acres at Choate Park and space at Burke School for park use.

Joint Workshop
Cont'd

Planning Board: Peg Wickstrom. Establish an ad hoc committee for survey of dwellings. Preliminary data for report on income housing in town.

Police Chief: David Lambirth. Reduce force. new programs on Juveniles and Crime Watch help reduce costs. cutbacks affect ability to protect and serve public.

Town Accountant: Louise Redding. New data processing to begin in July. Will be available on Mondays and by phone for questions.

Water Commissions: Ronald Wilson. Transfer funds from Water surplus rather than impacting on the tax monies.

Wiring Inspector: In writing. Increased fees

ZBA: Paul Griem. Budget increase as result of addition requests for variances and legal advertising must be accommodated.

Mr. Mitchell, commended Mrs. Parente for attention to Medway's problems. He added, a letter chastizing Senator Burke would be sent as a result of his lack of communication with his Medway constituents which has occurred on extremely frequent basis.

Selectmen's Meeting
3/31/81

Minutes:

Attendance: Paul Mitchell, Paul DeSimone, James Jeffers, and Jeffrey Nutting, administrative assistant.

At 7:30, the Board met with Harry Sabin, Robert Heavy, Gardner Rice, sewer commissioners, Vern Robertson, Ralph Sutherland, Fin/Com, Paul Wilson, Bd/H, and Fred Lee, Town Treasurer to discuss the status of 3A Sewer Project.

Advantages to continuing the project were:

1. Increase construction costs if put off.
2. Poor sewerage drainage in area, health board would like the homes hooked-up.
3. Pond St. would be redone
4. Funding from State at approximately 40% now delaying may mean funds not available.
5. Additional subscribers reduce cost of sewer plant operation.
6. Country Manor nursing home would be hooked-up.
7. Inflation factor costly if delayed.

Disadvantages in continuing the project were:

1. Possibility of not receiving state aid.
2. Possibility of MFHA financing risky.
3. Short term borrowing expensive
4. Funds coming back are slow or late
5. Engineering firm not paid yet for design
6. Main Street drain \$111,000 paid for during phase 2 of the construction and cannot be reimbursed from grants or loans, without special act of the legislature.

Other areas of discussion included lack of funds at local level for operation, the town's investment in the project which has thus far cost 5.1 the town funding 1.1 million, the state's decision on funding which is due May 11th.

In a consensus opinion those for going forward: Paul DeSimone, Paul Wilson Gardner Rice, Robert Heavy. Those for delaying the project: Vern Robertson, Ralph Sutherland. Those for not going forward: Frederick Lee, Harry Sabin, James Jeffers.

Decision: Hold-pending future financial information.

SELECTMEN'S MINUTES
3/24/81

Present: Paul Mitchell, Chairman, Paul DeSimone, James Jeffers,
and Jeffrey Nutting, Administrative Assistant.

At 7:00 P.M. a public hearing was held in the Sanford Room regarding the Flood Plain Insurance Program. Attending the meeting were the Board of Selectmen approximately 10 residents from lower Village Street and Mr. Paul White a representative of the Federal Emergency Management Agency (FEMA). Several residents indicated they were disturbed to find that their homes under the initial flood plain zoning established by the town in 1973, were at the 134' level placing them out of the flood plain area. Recently they said they found in May of 1979 the flood plain zoning map was amended and they were now included in the area. Several had reports and data indicating that their homes had existed without flooding in some cases for over 150 years. Residents said they believe much of the problem with Charles River is caused by the debris which has collected over the years damming the river and that a thorough dredging was needed. Residents also were concerned with a possible loss in property value having their homes and land in the flood plain area.

Paul White of FEMA suggested material be gathered and correlated into a report to be sent to his agency for a reconsideration elevations.

The Board expressed concern regarding the situation which had changed and indicated their office would see that a letter and report was sent to FEMA, also a letter concerning the dredging the the Army Corp of Engineers and the Charles River Watershed Association at 2391 Commonwealth Avenue in Auburndale, Attention of Rita Barron Executive Director.

At 8:30 P.M. The Board held a public hearing for the relocation of poles on Village and Franklin Streets. Approved Unanimously. (Boston Edison)

At 8:45 P.M. The Board met with Fin/Comm member John Boczanowski with regards to a statement made by Mr. Boczanowski which he said was made in a political satire and was taken out of context by Mr. Gallaher (who was unable to attend the meeting) He had apologized to Mr. Lewis of the Health Board with regard to that Board's contract with Mr. Molinari and that Mr. Gallagher had repeated the conversation to Mr. Lewis out of context. Selectmen extended their appreciation for his taking the time and the effort to correct the situation.

Minutes:

Present: Paul Mitchell, Chairman, Paul DeSimone, member, James Jeffers, Clerk, Administrative Assistant Jeffrey Nutting.

7:00 p.m. The Board of Selectmen reviewed correspondence and signed warrants.

7:15 p.m. The Board interviewed John Boczanowski Jr. for a position on the finance committee. Appointed unanimously.

7:30 p.m. A gift was present to the Town by Maureen Gravina and Beth Brough for the Conservation fund of \$3659. The Board accepted with their thanks and promised they would find the proper procedure to see that the funds were entered into the conservation account. The money was raised over a period of years by binding and selling papers collected at the dump.

8:00 p.m. The Board held a hearing regarding the request by the China Lotus management to extend their hours during the week from 1 a.m. to 2 a.m.. Abutters Mr. Mrs. Joseph Frederico said they were not opposed to the extension as the place was quiet and well-run with the exception of litter in the parking lot. Chief Lambirth said the establishment had a clean record regarding disturbances. Based on the record and performance of the management the Board unanimously agreed to allow the China Lotus to extend their hours Monday through Friday to 2 a.m.

In other business the Board:

Changed the wording of a proposed bylaw for the water/sewer board to eliminate the involvement of the finance committee and board of selectmen.

Discussed the legality of establishing a procedure for the selling of wood on town owned property charging fees which would be placed in the park department revolving fund. Further investigation.

Approved a license for Barbara Bain of Fisher Street to operate a one/person business from her home with the stipulation that no additional outside signs or advertizing be posted.

Instructed the police chief regarding the misuse of signs for local businesses. Also requested an enforcement of no parking in the fire lane in the shopping center between Mars and Feranadez building.

Selectmen's Minutes 3/3/81 cont'd

- 8:15 p.m. The board met with Louis Savard, of the Elm Club, regarding Parking. Chairman Mitchell indicated that there were numerous complaints regarding the street parking at the Club causing traffic and pedestrian hazards. The owner replied that additional signs were needed. He said he would instruct his club members about the parking. Supt. Higgins will erect additional signs. Mr. Heavy, whose property adjoins the Club registered several complaints with regards to noise, parking and litter. He felt that Club was operating as an open tavern rather than the Social Club license under which it had been approved. Chairman Mitchell indicated that if future included a transfer of ownership than the past performance would weight heavily on the Board approval, and it would behoove those in charge to take it upon themselves to improve the traffice and noise conditions.
- 8:45p.m. The Board met with Chief Lambirth to discuss police department budget. Tenative approval was given pending full knowledge of financial status of town and following discussion of total town budget at the all Boards Workshop in April.
- 10:p.m. The board met with David Youman, Town accountant. to discuss personnel problem with regards to his clerk. Mr. Youman indicated that there was a dispute and the clerk had left the department and he would be hiring a new clerk. Mr. Mitchell indicated he was concern with total work load. At this point Mr Jeffers indicated he belighed that Mr. Youman might give thought to retirement in the near future. A tense discussion followed with Mr. Youman indicating that he would give his resignation to be effective the end of March.

7:00 Selectmen met with the Bd. of Assessors

Re: the assessing of houses of Medway. When will they have estimated result of the assessments? Because of 2½ the Slectmen have to meet a deadline. The Town needs the money. The assessors have been working with a consultant, Mr. Stewart. He has a revised Time Table on how to handle the assessment. He wants to break it down and do each home very thorough. Selctmen feel this is a good idea but because of Prop 2½ they don't have the time. This would be completed in 1982. Selectmen mentioned that a letter was received from a resident and a professional appraiser, Mr. R. Handverger. He has a phase 3 program suggested to the assessors to get in touch with Mr. Handverger. They could work together. They need some kind of report by the end of April or begining of May. The have to push the Town Meeting back into latter May.

Re: Building Permits. The assessors would like the expiration date on the permits.

7:50 Highway Expenses. Went over budget, 15% ok'd budget

Selectmens Minutes

February 3, 1981

7:00 p.m.

All Members present, except Mr. Mitchell, Chairman

7:00 Fran Donovan, Town Clerk, Fred Lee, Town Treasurer, David Youman, Town Accountant met with the Selectmen to discuss budget regarding Prop 2½. Fran Donovan stated ~~that~~ his clerk Janet Mitchell will be looking for a job elsewhere due to the cut in her hours. Employees will have to cut hours to reduce budget. Selectmen suggested instead of cutting hours and maybe losing valuable employees, have dept. share secretaries. Town Treasurer will have to cut 15 hours in his office. Selectmen and Dept. heads will take this into review.

7:30 Insurance Committee. Selectmen told the Committee that they have been reviewing different insurance agencies. Selectmen would like the insurance Committee to review policies and see what they can cut from insurance that is not necessary. Such as old buildings that they town does not use, etc. Whether we should up the deductible on certain buildings. Also review insurance policies on Town employees and also any outsider contractors that do business with the Town. That we have the correct coverage on them, this could be important to the town. Selectmen will meet with the Committee next month to review this information.

9:00 Police Chief, Re: Aurthur Mill, regarding his disability insurance. Chief states that officer will probably not be able to return to work. Chief will have to get figures on disability and show Officer Mill these figures.

Re: Officer Kenneth Thibeault called and asked for third week vacation pay. Selectmen stated that a letter should be sent to Officer Thibeault rejecting this pay which is in accordance with the Fiscal year, July to July. He will be paid for full weeks to Jan 31, 1981, and 1 Day in Feb. 1 After that until further notice.

Bruno Retecki regarding Police and Fire Communications Budget. Can not really cut off too much. Ok'd budget and present it to Finance Com. and see what happens.

9:30 Fire Chief, Jerry Hanlon, Regarding budget, no increase in salaries. Dropped 2 men, a reduction of 400 hours. Approved budget.
