We have some money put aside toward a volunteer party to be held in June. Two of the committee members who would be working on this party were not present at the meeting. The Town Meeting increased the COA budget for next year. The increase was to fund a full time director for the Center. Missy also noted we need to choose a nominating committee toward electing our officers for next year. Judy motioned to accept the report. Paul seconded it. The motion passed.

Kate, our Outreach Worker began her report by introducing our new part time Outreach Worker, Marcia Lombardo to the group. SMOG season is almost over. She and Marcia continue to help people file for Food Stamps and Mass. Health. They also continue making home visits and referrals to appropriate services.

Their upcoming presentations include:

"Life Reimagined" This AARP presentation , scheduled for tomorrow, May 11th (9:30--11:30) has twenty-one pre-registered participants.

And

"Live Your Life Well", scheduled for May 25th (10:30- 1:30) has ten presenters and thirty-three pre-registered participants. Set up like a health fair, with a wellness practitioner at each of the ten stations, small groups of people will rotate through each station. The Outreach workers received a small grant to fund this program.

In the Fall, Marcia is planning an intergenerational program with high school students and military veterans. She has scheduled a meeting with a representative from Medway High School who will help identify students who would be appropriate for the program. She will be seeking veteran volunteers through a notice in the senior center bulletin. The culmination of the program will be an event that will include all participants, and other interested parties as the students present the life story of their seniors.

Nanette, Charlene and Grace will be our nominating committee.

Kathy reports all is going well at Kenney Drive. The tenants' association is still operational. Grace had nothing but praise for the wonderful supportive community at Mahan Circle.

Paul has found a young man from Millis who will give him an estimate toward the new building for the Soccer Program and Camp Sunshine.

John made a motion which Grace seconded to adjourn the meeting. Mary Lou closed the meeting at 2:27 p.m.
