RE: DRC Letter of Recommendation – Blue Pool, Inc., 9 Lincoln Street

Thank you for submitting the proposed new signage for Blue Pool, Inc. located at 9 Lincoln Street to the Medway Design Review Committee (DRC) for review. The information was filed with the Signs by J of Dorchester, MA on May 9, 2024. Sign designs were included in the packet.

Pursuant to the Medway *Zoning Bylaw*, SECTION 7.2 Sign Regulations, this communication serves as the DRC's review letter regarding the proposed wall sign. Please be advised that this letter does NOT constitute approval of a sign permit by the Town of Medway. Your sign company must still apply for and secure a sign permit from the Medway Building Department prior to sign installation. Do not install the sign before obtaining the required permit.

On Monday, May 20, 2024, the DRC reviewed the proposed signage for 9 Lincoln Street. The signage proposal included the following:

- Proposed wall sign constructed from sheet aluminum with 1" x 1" aluminum frame
- Sign clips for fastening and Tek screws for affixing to the exterior
- Total sign surface area of 10.2 sq. ft.
- Sign design utilizes two shades of blue and white; no sign illumination

The sign proposed by Signs by J are consistent with the recommendations laid out in the Medway Design Guidelines. They are attractive and appropriate for the site.

In reviewing sign designs for Medway's businesses, the DRC's goal is to enhance the identification value of business signs in Medway. We seek to help Medway businesses and organizations develop their signs as long-term investments, designed for sound readability with appropriate graphics and materials in a manner that suits budgetary constraints and enhances our community's appearance and appeal.

Thank you for your time. We wish **Blue Pool, Inc.** continued success in Medway.

Sincerely,

Matthew J. Buckley  
Chair
