

Indigenous Peoples' Day

**The Medway Indigenous People's Day Committee in partnership with
Medway Open Spaces and Trails present:**

A Walking Trail Tour

October 28th, 2023 @ 10:00am

Rain Date - 11/19/2023

Join our guide Jim Wickis from Medway's Open Spaces on the Adams Street Trail as he identifies native and non-native plants on Medway's nature trails.

Visit boxes along the trail to learn about Indigenous Peoples' History in Medway, native use of land, native animals and plants, and books by Indigenous Authors available in the Medway Public Library.

All ages are welcome on this 40 minute, half-mile casual walking tour.
Some portions of the trail are not stroller-friendly as the paths are not paved.

A children's scavenger hunt will also be available as we observe our natural surroundings.
