### CONSERVATION TECHNICIAN, PART-TIME Conservation Department

The Town of Medway's Conservation department is looking for a part-time Conservation Technician, 15 hours per week, to provide support to the Conservation Agent related to the Conservation Commission's statutory responsibilities under the Wetlands Protection Act and the Medway General Bylaws (wetlands and stormwater). The Conservation Technician will assist in performing a variety of complex administrative, professional, and technical work in connection with the management of town-owned conservation land, and the administration and enforcement of the Massachusetts Wetlands Protection Act and its Regulations (WPA) and the Medway General Bylaw Article 21 (Wetlands) and Article 26 (Stormwater) and Article 31 (Tree Preservation).

**Minimum Qualifications:** Bachelor's degree in environmental studies, planning, or a related field preferred; at least one year of experience in the administration of the Wetlands Protection Act and/or land management-related tasks; or an equivalent combination of education and experience. Valid State motor vehicle operator's license and insured personal vehicle.

Please see the full job description on the Town website for more information.
