Water Ban in effect from May 1 thru September 30, 2021

In accordance with the Massachusetts Department of Environmental Protection Water Management Act the Water Division is mandated to declare a mandatory water ban.

The Medway Water Division requests that everyone reduce their water use.

- *There is NO outside watering during the hours of 9am through 5pm.**
- *Use of in-ground (irrigation) sprinkler system is PROHIBITED at all times.**

ODD-EVEN Watering Guidelines:

Odd numbered residences; HAND WATERING ONLY is permitted on Odd numbered calendar days.

Even numbered residences; HAND WATERING ONLY is permitted on Even numbered calendar days.

Violators are subject to the following fines:

- First offense - Warning - \$0.00
- Second offense - \$100.00
- Third offense - \$300.00
- Subsequent offenses - \$300.00 daily will be applied
- Repeat offenses are subject to termination of service with a \$65.00 fee for restoration of service and full payment of all fines and account balances.

Please use the following tips to reduce water usage:

- Water outside plants only when needed.
- Lawns are healthier when kept longer (2 ½ - 3 inches tall).
- Wash vehicles at car wash (they recycle water) or wash vehicles on the lawn to recycle the water.
- Restaurants should only serve water upon request.

Thank you for your cooperation in helping sustain our local water resources.
