

## **FREE CHILDRENS VISION SCREENING**

**Saturday, December 10, 2022**

**Medway Public Library**

**10am – 12pm**

**Medway Lions Club** will be conducting free vision screenings for all children.

- It is estimated that 80% of learning is vision related. If a child can't see well, they often can't learn well.
- On average 1 in 3 children have vision issues-most are easily corrected with glasses.
- Some vision issues if left uncorrected can lead to permanent vision loss by age 7.
- Lions KidSight USA Foundation is a nationwide program to safeguard the vision of all children.

No registration necessary. All children welcome (need not be Medway residents.)
