# ChoiceNet Tiered Hospitals

ChoiceNet, our tiered provider network, includes thousands of Harvard Pilgrim's participating doctors and clinicians, over 150 hospitals, who have met Harvard Pilgrim's high standards for providing quality care. Using national quality benchmarks, as well as plan medical expense information, we placed participating hospitals in Tier 1, Tier 2 or Tier 3. You will pay different cost sharing based on a provider's assigned benefit tier.<sup>1</sup>

If you have established relationships with certain doctors, you'll want to find out what tiers they are in before receiving care from them. Just because doctors are affiliated with certain hospitals, it doesn't mean that they'll have the same tier level. To find your doctors' tiers, use the provider search tool at [harvardpilgrim.org](https://www.harvardpilgrim.org) or call us at **800-848-9995** for assistance. If you're already a Harvard Pilgrim member, call **888-333-4742**.
