

TOWN OF MEDWAY

COMMONWEALTH OF MASSACHUSETTS

Network Engineer

Position Effective 1/1/2026

The Town of Medway's Information Systems Department is seeking a qualified and experienced Network Engineer. This is a professional-level position. The Network Engineer will be a critical part of the Information Services team, responsible for ensuring the robust, secure, and efficient operation of the Town's network infrastructure across both municipal and school departments. The ideal candidate will possess a strong blend of technical expertise, problem-solving ability, and a proactive approach to network management and security.

A bachelor's degree in computer science, information technology, or a related field is preferred. A minimum of three to five years of proven experience in a network engineer or advanced network administration role is required.

Please review the job description on the Town website for more details. [Job Description](#)

Please send a cover letter, resume, and employment application to: Human Resources Manager, Cheryl Houle at Medway Town Hall, 155 Village Street, Medway, MA 02053, or email to choule@medwayma.gov. The Employment Application can be found here: [Application](#)

Date of Posting:	October 22, 2025
Closing Date:	November 12, 2025, at Noon
Salary Range:	\$65,000 - \$97,000, DOQ

The Town of Medway is an Equal Opportunity Employer
