

# STIPULATION ON PAVILION USEAGE

We have a Youth Program that is entitled to have 1<sup>ST</sup> choice.

No motor vehicles are allowed on the grass. If you have a large cooler to carry to the Pavilion, please bring a cart or wagon so it will be easier for you.

When using the Town Pavilion, please keep it neat and clean.

You must bring your own garbage bags with you to pick up any trash (paper plates, bottles, etc) and bring them with you when you leave.

When leaving the Pavilion, please make sure it is in the same condition as when you arrived.

Thank You
