Re: No Historic Properties Affected

Dear Margaret Schwertner:

Thank you for contacting the Washington State Department of Archaeology and Historic Preservation (DAHP) regarding the Port of Ilwaco East Bulkhead Resilience Project. This action has been reviewed on behalf of the State Historic Preservation Officer (SHPO) under provisions of Section 106 of the National Historic Preservation Act of 1966 (as amended) and 36 CFR Part 800. Our review is based upon documentation provided in your submittal: Addendum to the Cultural Resources Assessment for the Port of Ilwaco East Bulkhead Replacement Project.

First, we concur that the following properties are not eligible for listing in the National Register of Historic Places:

- Property ID: 728160 Port of Ilwaco Wharf East Bulkhead 113 Howerton Way SE, Ilwaco, Washington, 98624
- Property ID: 730624 Safe Coast Seafoods - Main Building 117 Howerton Ave, Ilwaco, Washington, 98624
- Property ID: 730625 Safe Coast Seafoods South Building 117 Howerton Ave, Ilwaco, Washington, 98624

We also concur that no historic resources will be affected by the current project as proposed.

As a result of our concurrence, further contact with DAHP on this proposal is not necessary. However, if new information about affected resources becomes available and/or the project scope of work changes significantly, please resume consultation as our assessment may be revised. Also, if any archaeological resources are uncovered during construction, please halt work immediately in the area of discovery and contact the appropriate Native American Tribes and DAHP for further consultation.

Thank you for the opportunity to review and comment. If you have any questions, please feel free to contact me.

Sincerely,

Maureen Elenga, M.A.
