## Memo

**TO:** Cities and Taxing Districts within or co-extensive with Pacific County

**FROM:** Bruce Walker, Pacific County Assessor

**CC:** Marie Guernsey, Clerk of the Board

**DATE:** August 30, 2019

**RE:** **NOTICE TO FILE BUDGETS OR ESTIMATES OF AMOUNTS TO BE LEVIED BY TAXATION DURING THE YEAR 2020**

---

It is that time of year again for each city and taxing district to file budgets or estimates to be levied during the year of 2020. I have listed below issues that need to be addressed:

Certified budgets or estimates of the amounts to be raised by taxation on assessed valuation of the property in the City or District during 2020 **must be filed with the Clerk of the Board of County Commissioners in order for the County to certify to the County Assessor by November 30, 2019.** (RCW 84.52.020, RCW 84.52.070)

**PLEASE NOTE: THE BOARD OF PACIFIC COUNTY COMMISSIONERS INTEND TO HOLD A PUBLIC HEARING ON NOVEMBER 26, 2019 TO CERTIFY LEVIES. THE CLERK OF THE BOARD REQUESTS THAT YOUR DOCUMENTS BE RECEIVED BY NOVEMBER 21, 2019.**

- A taxing district that collects regular levies is to hold a public hearing on revenue sources for the district's following year's current expense budget. The hearing must include consideration of possible increases in property tax revenues and must be held prior to the time the taxing district levies the taxes or requests to have the taxes levied. (RCW 84.55.120)
- Provide a copy of the legal notice advertising your public hearing to this office and to the Clerk of the Board of County Commissioners.
- Budgets shall clearly indicate an estimate of cash balance at the beginning and ending of each budget period in said budget or estimate. (RCW 84.52.025)

- **Resolution/Ordinance to increase property tax levy.** RCW 84.55.120 requires all taxing districts to adopt a resolution or ordinance in order to realize any increase in their regular property tax levy other than increases due to new construction, improvements to property, increased value of state-assessed property, annexations, and refunds. The Washington State Department of Revenue has created a form for your use when requesting such an increase in your regular property tax levy. These are available on the DOR website <http://dor.wa.gov/Content/Home/Default.aspx>.

State law requires certain information be included in the resolution or ordinance. Specifically, the resolution or ordinance must state the dollar amount of the increase and the percentage increase over the prior property tax levy. Resolutions or ordinances that do not comply with state law could result in your taxing district receiving an incorrect amount of property tax.

- **Budget Certification.** RCW 84.52.020 requires taxing districts to certify the amount to be raised through property taxation to the county legislative authority. This certification is to be made each year on or before November 30. The amount certified should include the total amount the district intends to levy, including amounts for new construction, improvements to property and so forth.

Please return your Resolutions/Budgets to:

**Clerk of the Board  
Board of Pacific County Commissioners  
P. O. Box 187  
South Bend, WA 98586**

Thank you so much for your immediate attention to this matter. If you have any questions, please feel free to give me a call at (360) 875-9301.

***PLEASE NOTE: If a taxing district or city does not submit its certified budget or estimate to the Clerk of the Board of County Commissioners, by November 21, 2019, it will not be included in the levy amounts to be included for the year 2020.***

## **RCW 84.52.020**

### **City and district budgets to be filed with county legislative authority.**

It shall be the duty of the city council or other governing body of every city, other than a city having a population of three hundred thousand or more, the board of directors of school districts of the first class, the superintendent of each educational service district for each constituent second class school district, commissioners of port districts, commissioners of metropolitan park districts, and of all officials or boards of taxing districts within or coextensive with any county required by law to certify to the county legislative authority, for the purpose of levying district taxes, budgets or estimates of the amounts to be raised by taxation on the assessed valuation of the property in the city or district, through their chair and clerk, or secretary, to make and file such certified budget or estimates with the clerk of the county legislative authority on or before the thirtieth day of November.

## **RCW 84.52.070**

### **Certification of levies to assessor.**

It shall be the duty of the county legislative authority of each county, on or before the thirtieth day of November in each year, to certify to the county assessor of the county the amount of taxes levied upon the property in the county for county purposes, and the respective amounts of taxes levied by the board for each taxing district, within or coextensive with the county, for district purposes, and it shall be the duty of the council of each city having a population of three hundred thousand or more, and of the council of each town, and of all officials or boards of taxing districts within or coextensive with the county, authorized by law to levy taxes directly and not through the county legislative authority, on or before the thirtieth day of November in each year, to certify to the county assessor of the county the amount of taxes levied upon the property within the city, town, or district for city, town, or district purposes. If a levy amount is not certified to the county assessor by the thirtieth day of November, the county assessor shall use no more than the certified levy amount for the previous year for the taxing district: **PROVIDED**, That this shall not apply to the state levy or when the assessor has not certified assessed values as required by RCW 84.48.130 at least twelve working days prior to November 30th.

## **RCW 84.55.120**

### **Public hearing — Taxing district's revenue sources — Adoption of tax increase by ordinance or resolution.**

A taxing district, other than the state, that collects regular levies shall hold a public hearing on revenue sources for the district's following year's current expense budget. The hearing must include consideration of possible increases in property tax revenues and shall be held prior to the time the taxing district levies the taxes or makes the request to have the taxes levied. The county legislative authority, or the taxing district's governing body if the district is a city, town, or other type of district, shall hold the hearing. For purposes of this section, "current expense budget" means that budget which is primarily funded by taxes and charges and reflects the provision of ongoing services. It does not mean the capital, enterprise, or special assessment budgets of cities, towns, counties, or special purpose districts.

If the taxing district is otherwise required to hold a public hearing on its proposed regular tax levy, a single public hearing may be held on this matter.

No increase in property tax revenue, other than that resulting from the addition of new construction, increases in assessed value due to construction of electric generation wind turbine facilities classified as personal property, and improvements to property and any increase in the value of state-assessed property, may be authorized by a taxing district, other than the state, except by adoption of a separate ordinance or resolution, pursuant to notice, specifically authorizing the increase in terms of both dollars and percentage. The ordinance or resolution may cover a period of up to two years, but the ordinance shall specifically state for each year the dollar increase and percentage change in the levy from the previous year.
