Definitions

The following terms shall, for the purposes of this chapter, have the meanings herein indicated:

FOOD CART

FOOD TRUCK

A mobile food service operation located in a licensed motorized vehicle or a movable trailer and from which food and beverage (prepackaged or prepared and served from the vehicle or stand) are sold or distributed in individual portions to the general public directly from the food truck for consumption on or off of the premises.

Permit required

VILLAGE OF

B. Any person or entity desiring to operate a food truck or food cart shall make a written application for a food truck permit to the Village Clerk. The application for a permit shall be made on forms provided by the Village and shall include the information required by this chapter and the following:

- (1) Name, signature, telephone number, home address, and business address of the food truck operator and the registered owner of the food truck or food cart.
- (2) Description and photograph of the food truck or food cart, including the license plate, registration number, VIN number, year, make, length, and model of the vehicle.

- (4) Valid certificate of authority for a mobile food service operation.
- (5) Valid proof of insurance, which must be kept continuously in force during the term of the license. At the time of application, applicants shall provide proof of insurance that extends for the entire license period and must meet the liability guidelines set by the Village. The policy shall provide that it may not be canceled except upon 10 days' written notice served upon the Village. The insurance must name the Village of Saranac Lake as an additional insured party.
- (6) Written waste disposal plan for all trash, water, grease, and other byproducts of the mobile food service operation.

(7) If a mobile food service operator intends to operate multiple food trucks or food carts, a unique mobile food service permit must be obtained for each individual food truck or food cart.
