Dear Saranac Lake Village Board of Trustees,

I am writing to express my interest in joining the Downtown Advisory Board.

I was hired as the Director of the Saranac Lake Free Library in June and I am very interested in exploring ways the library can help local businesses and develop successful collaborations. I'm enjoying living in the village, myself, and would be happy to donate my time and energy to help make downtown a more vibrant, exciting, and collegial community.

Outside of work, I enjoy spending time outdoors. My dog and I are 46ers and I bicycle as much as I can. I appreciate how friendly and accommodating downtown Saranac Lake can be.

Please let me know if I can provide any additional information. Thank you for your consideration.

Sincerely,

Jake Widrick

REAL ESTATE COMPANY

October 31, 2022

Dear Trustees and Community Development,

I ask that you consider and accept this letter of interest for a seat on the Downtown Advisory Board (DAB).

From a personal standpoint, the success of Saranac Lake's downtown is of the utmost importance to me being it surrounds me entirely living and working here. Our property located in the heart of the downtown has been an ongoing effort and improvement to the business district, where we operate two businesses and have our home.

Aside from a personal perspective I believe that I have the relevant experience to be useful serving on the DAB.

19yrs experience as a NYS licensed real estate professional. Currently in my 6th as my own company operated in downtown Saranac Lake.

26yrs in the building trade where I have been apprentice to some of the area's finest craftsmen working at prominent camps throughout the Saranac Lake region.

Have a great respect and appreciation of our heritage and have been recognized for my association and passion of this history.

Track record. I have earned a successful reputation through client relationships and am generally well received within the community. My ideas, personality and character can contribute something on the DAB, assisting the village of Saranac Lake in growing and maintaining a successful downtown.

You can visit www.adirondackstiles.com to learn a little about my real estate company

To gain insight on my active interests and some of the work that we do in our studio at 3 Broadway you may visit my Facebook profile Kt Stiles

As a reference to my experience and vouch for my professionalism and character, you may contact Robert(Roby) Politi, my former broker and a person who has taught me numerous skillsets in business and life.

I respectfully appreciate your consideration and am hopeful to be selected to volunteer my time on the DAB.

Sincerely,
