RESOLUTION TO APPOINT MEMBERS TO THE PARKS AND TRAILS ADVISORY BOARD

WHEREAS, the Village of Saranac Lake Parks and Trails Advisory Board (PTAB) has a vacancy;

NOW, THEREFORE BE IT RESOLVED, the Board of Trustees hereby appoints Charles Lomino to PTAB for a term that is in accordance with the bylaws,

BE IT FURTHER RESOLVED, the Board of Trustees hereby reappoints Steve Langdon, Ashley Milne, and Josh Wilson to a term of 2-years each, as is in accordance with the bylaws.

Jamie Konkoski,

I'd like to send a formal letter of interest in a position on the Saranac Lake Parks and Trails Advisory Board.

I recently moved to the area two months ago, after having wanted to live here since I graduated from Clarkson University in 2018. I have always wanted to involve myself in local decision-making, but have never lived somewhere that I care enough about to do that. This is different.

Now that I am finally here, in a place that I deeply care about, I want to give my time to public service and the community. I am very passionate about making sure Saranac Lake streets (and all streets!) are safe for people of all ages and abilities by making our public spaces safer and using ideas prevalent in complete streets design. I would love to help Saranac lake adopt policies and install infrastructure that improves the town's walkability and safety even further, while also increasing its economic vitality in the long term.

Combining my love for this town with my passion for planning and infrastructure is a dream come true for me. Thank you for considering me.

Best Regards,

Charles Lomino III, EIT

Structural Engineer, North Woods Engineering
Clarkson University, Class of 2018
