# Memo

**To:** Village of Saranac Lake Board of Trustees  
**From:** Jamie Konkoski, Community Development Director  
**Date:** June 9, 2022  
**Re:** Current Grant Projects

---

Enclosed is a summary of village projects that are supported by grant funding. Many of the grant projects are administered by the Community Development Department. Projects that are administered by consultants are also included in the summary and the corresponding consultant is noted.

Grant Project Name	Funding Source	Grant Amount	Required Match	Deadline	Status	Description
<b>Adirondack Smart Growth Implementation</b>	NYS Dept. of Environmental Conservation	\$75,000	DPW labor	7/31/2022	Project complete	Construct a multi-use trail between the Adirondack Rail Trail and Lake Flower Avenue
<b>Recycled Recreation Fields (Landfill)</b>	NYS Office of Parks, Recreation & Historic Preservation	\$220,000	\$55,000	12/17/2020	Grant funds have been expended; fields need more fill before completing close out	Create athletic fields at the old landfill
<b>CDBG Infrastructure Grant*</b>	NYS Office of Community Renewal	\$930,000	N/A (part of larger EFC project - this is considered CO funding and EFC \$ spent is the match)	2021	Punch list items scheduled for spring 2022	Replace water, storm and sewer lines on Lake St.
<b>Water Quality Improvement Project (WQIP)*</b>	NYS Dept. of Environmental Conservation	\$2,500,000	402176	5/1/2022	In progress	Installation of the UV and improvements to the WPCP that are necessary to allow for the proper hydraulic and functional operation of the UV system.
<b>Engineering Planning Grant*</b>	NYS Environmental Facilities Corp	\$24,800	20%		In progress	Preliminary evaluation of the rest of the WWTP for planning for future projects and to accommodate the new phosphorus limits

ARPA Distribution	Project Name	Amount	Deadline	Purpose	Status	Description
American Rescue Plan Act**	Groundwater Quality Assessment	\$533,332.00	2026	Monies provided to communities to be used for water, sewer or broadband projects (VSL selected water)	Phase 1 assessment complete; Phase 2 treatment & distribution system investigation to begin May 2022	Phase 1 assessment was aimed at conducting tests of the raw and finished water quality to better understand what is occurring after water parameter changes were first noticed in mid-2018. Phase 2 investigation will continue the finished water quality testing to further optimize the current corrosion control treatment and begin requirements mandated by the new Lead and Copper Rule Revision (LCRR), which became effective December 2021.

Recently Completed Projects	Project Name	Amount	Deadline	Purpose	Status	Description
Hydro Controls	NYSERDA	\$35,000	\$4,954		Complete	Upgrades to the Hydroelectric Power Plant
CDBG Economic Development Grant	NYS Office of Community Renewal	\$750,000	NA	3/8/2021	Complete	Grant funding for Waterfront Resort furniture & fixtures as job creation incentive
Clean Energy Communities	NYSERDA	\$50,000	\$0	10/31/2021	Complete	LED streetlight conversion; EV purchase

\* Grant is administered by AES

\*\* Project is managed by Barton & Loguidice
