THIS ORDER IS BEING ISSUED TO THE FOLLOWING LOCATIONS ONLY:

From the intersection of Broadway and Bloomingdale Avenue, along Bloomingdale Avenue to Depot Street, including all of Depot Street.

The Boil Water Order is being issued due to lack of water and/or water pressure because of a major water line break. A Boil Water Order is a required procedure when water service is disrupted and there is a loss of satisfactory water line pressure.

Consumers will be notified as soon as the Boil Water Order is rescinded. The Boil Water Order will remain in effect until the repairs are complete and satisfactory coliform bacteria samples are collected on two consecutive days.
