## March Committee Highlight Arts and Culture Advisory Board

The Arts and Culture Advisory Board has been able to bring so many wonderful pieces to the Village of Saranac Lake. Some of these pieces have included pop-up galleries, Adopt-a-Bench program, and some art structures that have been put up around the Village. This Volunteer Board meets about once a month, stop in to see what they are up to next, meeting time and date can be found above under our events or on the [Village of Saranac Lake's website calendar](#).
