Hello Jamie,

The Village of Saranac Lake recently submitted documentation demonstrating completion of the **Clean Fleets** High Impact Action under NYSERDA's [Clean Energy Communities](#) program.

Congratulations, your submission has been approved.

Wow! Thank you for your leadership. This is your **FIFTH** approved High Impact Action.

Our records indicate that you are already a Designated Clean Energy Community.

If you have any questions, please do not hesitate to contact your local Clean Energy Communities Coordinator who is working on NYSERDA's behalf to help you navigate the program:

EV Charging Station

The Village of Saranac Lake has installed an electric vehicle charging station for public use in the municipal parking lot at 3 Main St. Clean vehicles reduce greenhouse gas emissions and pollutants that cause smog and acid rain.
